AUTHOR'S NOTE 340

RIGHT ON . . .

In the beginning we had followed, we had always followed, and it was thought that we always would.

But there grew a feeling of doubt. We, the young people, no longer wanted to stand by as on-lookers. We wanted to have a voice.

We, impetuous youth, wanted to change, to change for the better, and improve not only the everyday but better the relationship between man and himself, and man and his earth. And to use every freedom that is granted to us, and every experience that we come by in the magnificent game of life.

Young people being educated to develop their own ideas, to reason what is right or wrong.

To try and make some contribution in our own way, and with this feeling to develop meaningful relationships with all our brothers.

To change for the good until we have no more left to change, and only then shall we rest.

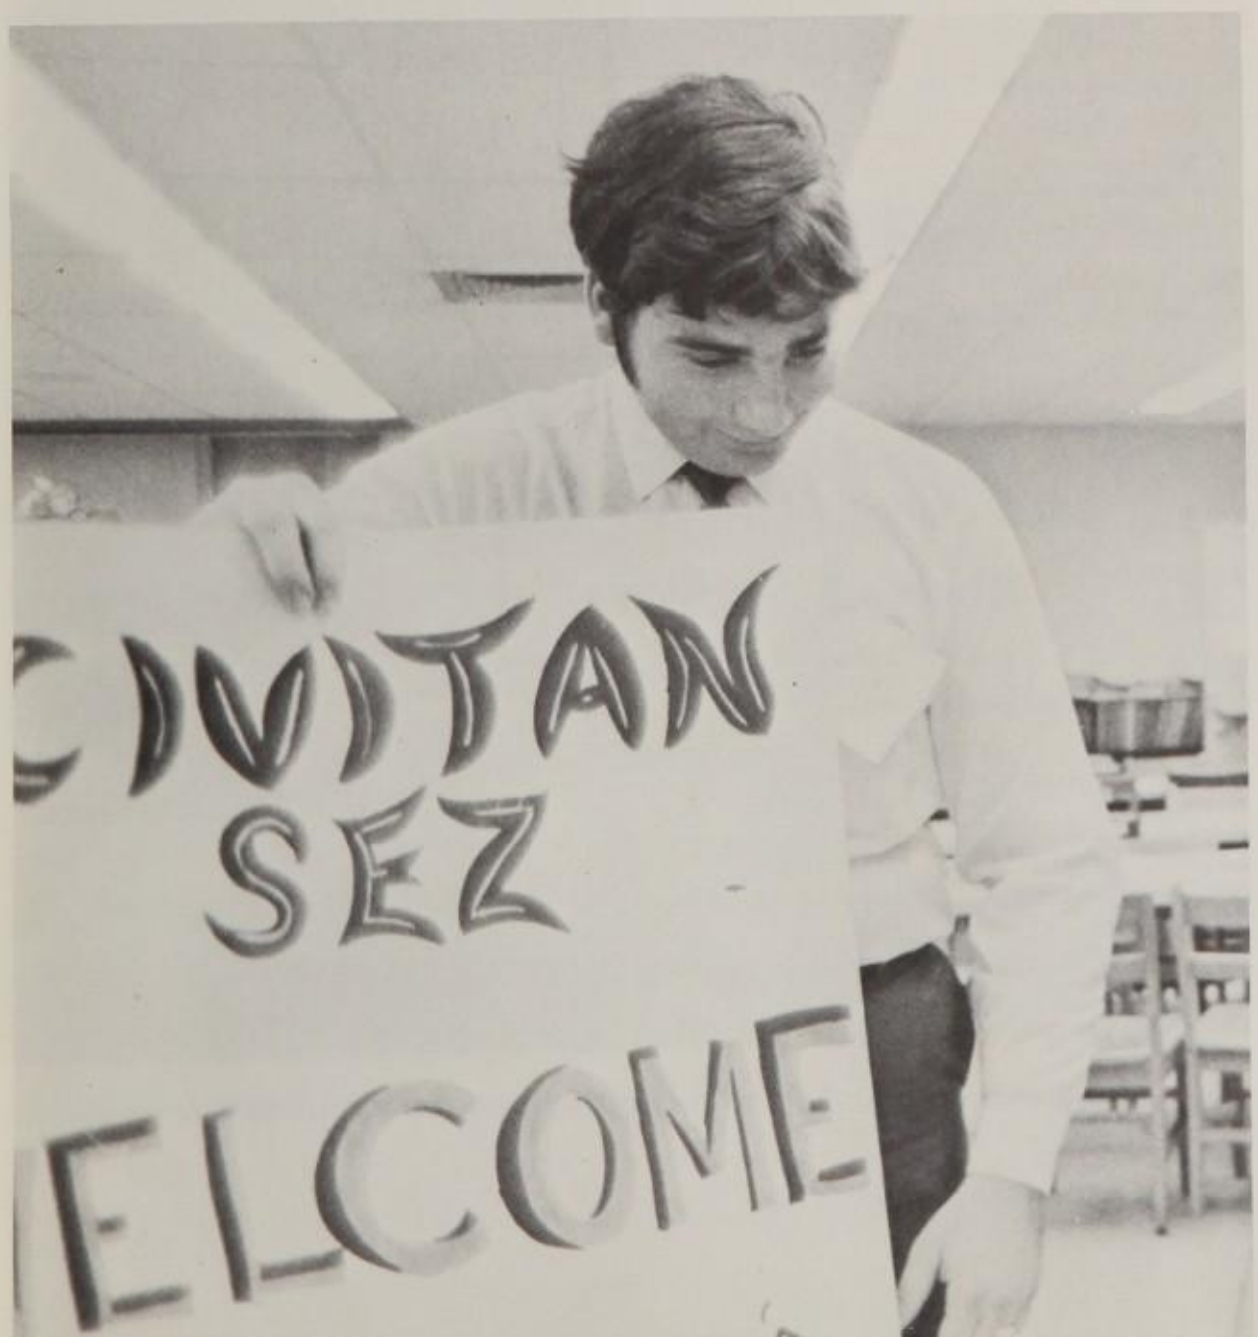
Marc Streeter welcomed the new Sophomores and told them about the many clubs available to them.

Our cheerleaders demonstrated their spirit for the Sophomores and hoped to raise theirs too.

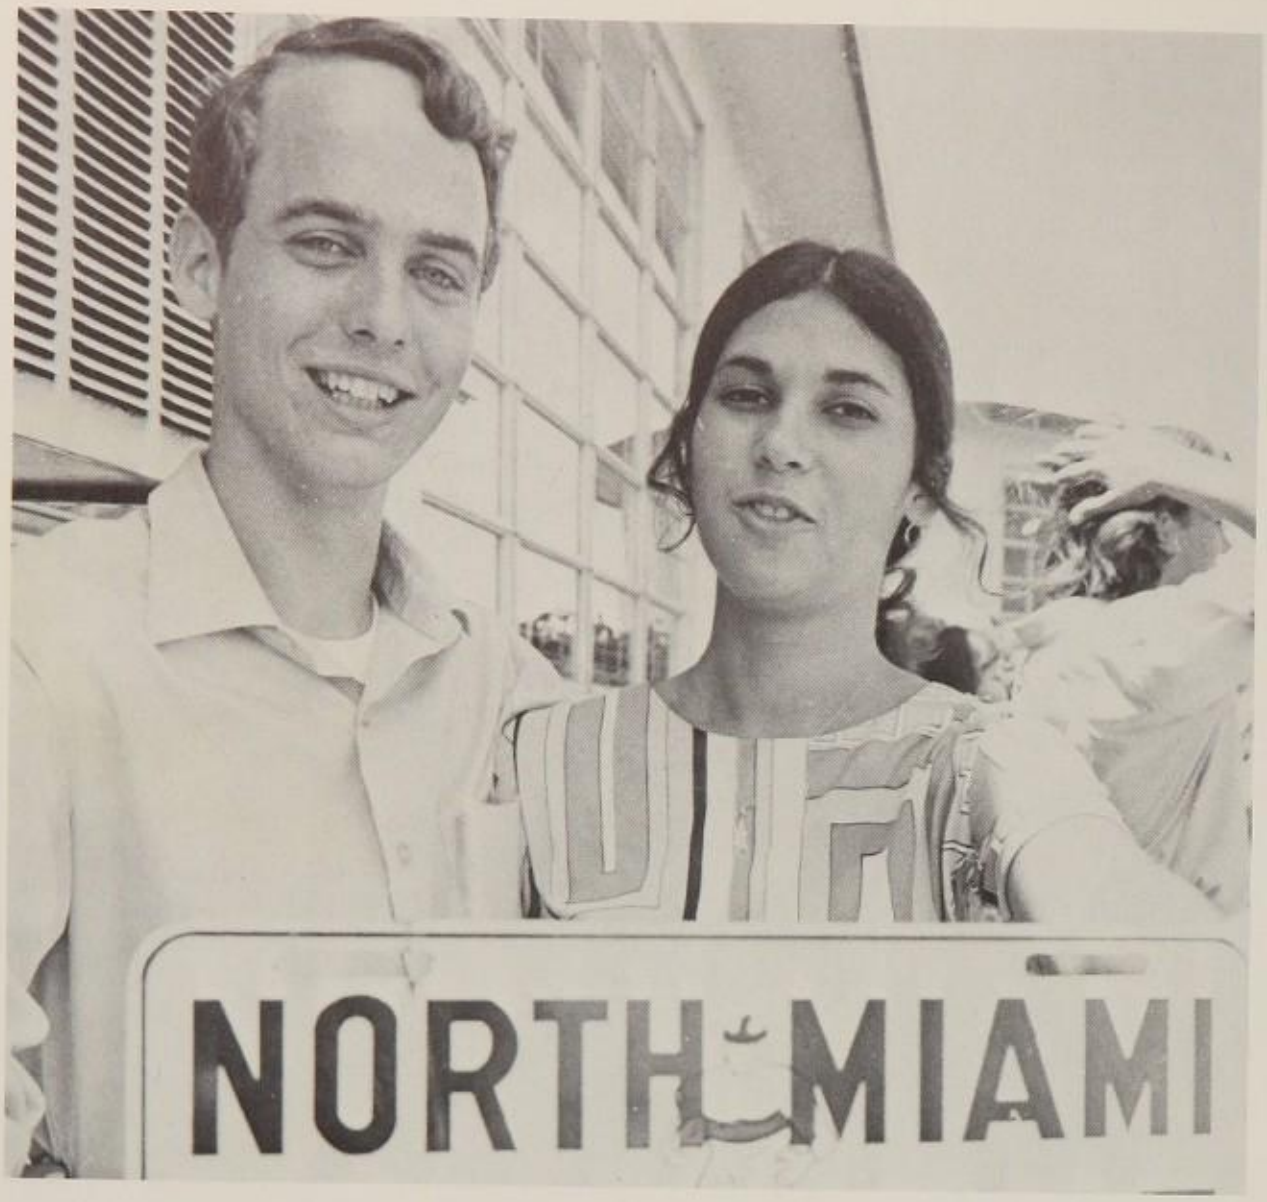
Student Council President Jose Gonzalez, cheerleaders, and the Band were on hand to provide the entertainment.

Ray Barron extended a hearty Pioneer welcome to the fledgling "Baby Pioneers."



Sophs Welcomed At Orientation

The Sophomores met head on with the rules and regulations of North Miami on Sophomore Orientation Day, August 29. Five hundred anxious Sophomores listened to Mr. Boggy, Mr. Duncan, and Mr. Milstein talk about the responsibilities of a high schooler and the enjoyment of education in general. Marc Streeter told them about the clubs and the various activities of the school. The band played, the cheerleaders cheered, and by the time Orientation was over, the new Sophomores were eager to become full-fledged Pioneers.



"Wanna buy a license plate?", Debbie Freilich and Rex Bishop asked the students.

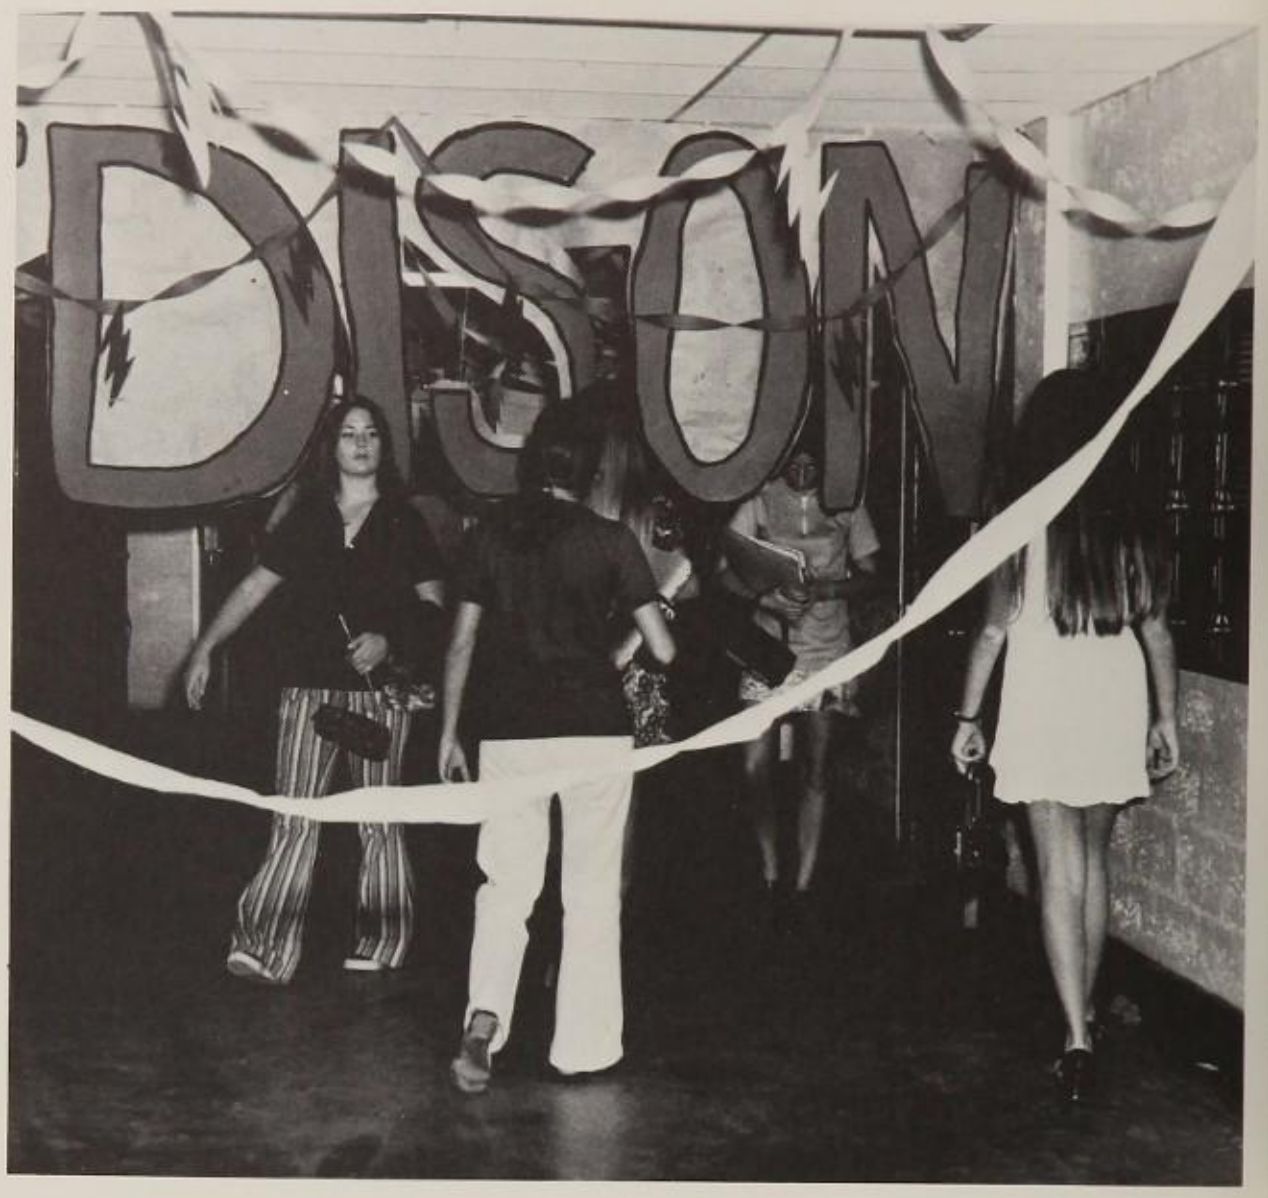
neer football team.

School Spirit Reached Climax

"We're Number One!", thundered in the auditorium, and if anyone would have said North Miami had no school spirit, utter chaos would have resulted. The Pioneers believed "We're Number One!" and so proved it at Pep Rallies, in sports, and in their general attitude towards their school. The Pioneers were a united entity composed of kids, teachers, and administration. The total effect was unbeatable as was their spirit for the year.



The 200 Wing was decorated and its glory called for Edison's downfall.

Civitan made the sign, but the students with their spirit made it happen all the time.

Spirit Week Boosted Morale

Spirit Week, September 28 through October 2, provided the excitement necessary to unite the student body. The clubs hung decorations throughout the halls depicting the defeat of Edison, and our students cheered on the football team at the Pep Rally. Even though our football team had it all together, Edison was a little more together than we were. Happily, our spirit was Number One for the week.

HOMECOMING QUEEN: VIVIAN DOSAL

Homecoming Queen

North Miami's Homecoming Queen was Vivian Dosal, a real pioneer in extracurricular activities. Chosen for this singular honor by all the students, Vivian was captain of cheerleaders, recording secretary of the Senior Class, and "Best All Around" Senior Superlative.

For Homecoming Queen, Vivian competed against four other girls who in turn became members of the court when Vivian claimed her crown.

Vivian was voted to all her many offices and honors by her fellow students.

Princess Lana Fromm Escorted by Bill Ericson.

Princess Sue Ives Escorted by Rex Morgan.

Princess Debbie Freilich Escorted by Robert Safian.

Princess Sue Jarvis Escorted by John Hall.

Homecoming Princesses

The Homecoming Dance not only produced a radiant queen, but also four lovely princesses. They were Debbie Freilich, Lana Fromm, Sue Ives, and Sue Jarvis.

These girls were chosen as princesses on the basis of a senior vote. The names were announced prior to the naming of the Homecoming Queen.

Lovely Vivian Dosal received the news of her crowning as any other queen would — she cried.

Mr. and Mrs. Boggy enjoyed the traditional Homecoming Dance.

Then Vivian was all smiles for her first dance as queen with Arthur Quitera.

Steve Foster announced the names of the princesses and their queen.

Homecoming Dance: Great!

The 1970 Homecoming Dance was added to the list of Extra Special events for our school year. Not only was the student turn out good and the Homecoming Queen crowned, but it was better than a fairy tale ending to the week-long Homecoming calendar.

The music was either heavy with soul or romantic and soft, depending on what students wanted. The dance lasted until 11 o'clock when Homecoming Queen Vivian Dosal was crowned.

Vivian was chosen by student vote earlier that week. Runners up who became princesses were Debbie Freilich, Lana Fromm, Sue Ives and Sue Jarvis.

For Vivian and all who attended the dance, the memory of Homecoming 1970 will never fade.

"The Wicked Witch of the West" cackled from her perch in Honoria and Octagon's first place hall.

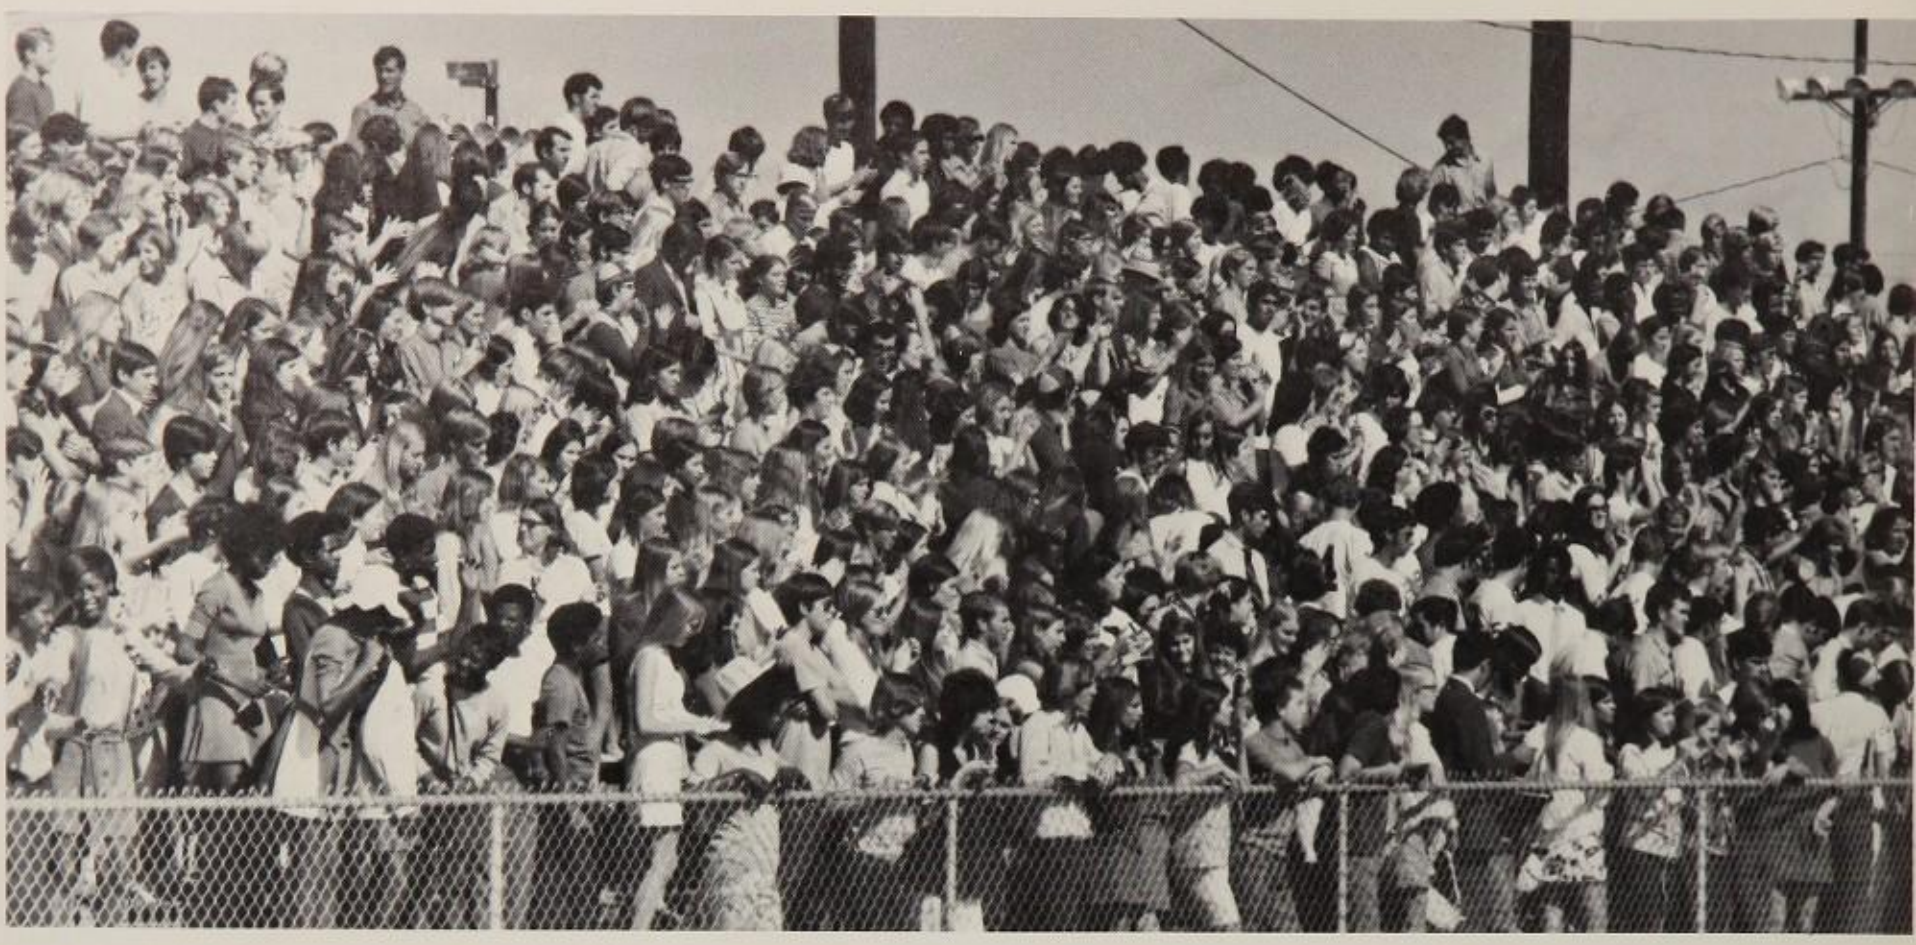
Recording a win, Sorrota and Interact placed second with "Pioneers Record a Win."

Civitan and Civinettes third placer, "Time is Running out for the Chiefs."

Recognized for their work, Preps and Pioneers received an Honorable Mention.

Superior Club Halls Honored

The work the clubs put into their Homecoming hall displays gave satisfaction in return. The halls were decorated in a competition for the most original and creative ideas about overthrowing the Carol City Chiefs at the Homecoming Game. The winners were: First place — Honoria and Octagon; Second place — Sorrota and Interact; Third place — Civitan and Civinettes, with an Honorable Mention for Preps and Pioneers.



The entire school populus turned out for the biggest and best Pep Rally this school has ever seen.

Alex Dundas sang for the crowd.

The Frisbee Contest drew many fans.

The Chiefs were sure to die, so . . .

Valerie Smith and Ronnie Kanter showed true good taste; they clashed best!

We always stood behind our team!

Homecoming: Busiest Ever!

Homecoming not only meant decorating the halls and playing the Chiefs, it also meant a week full of activities for the students.

There was Clash Day, a challenge for students to see who could dress in the loudest clash-combinations. Two of the clashiest were Valerie Smith and Ronnie Kantor. Then there was the Frisbee Contest, Bury-the-Chiefs Day out on the Davidson Patio and finally a finale Ziegfeld would have envied — a Pep Rally that the *entire* school attended. Classes were dismissed for three mods; enough time to see the Pep Rally at the North Miami Recreation Center. With a week like that, Homecoming could not go wrong!

Our Pioneers tackled, passed and played a spirited game of Football.

Clean Up Day: Shining Success

North Miami Senior High was washed, swept and generally cleaned up by students on November 30 when a committee of 75 concerned students organized a "Clean Up Day."

They gave up their holiday to help beautify our school — comparable to a mass overhaul at a beauty salon. The inside and outside lawns were cut and trimmed. Where no grass grew, some was planted. Floors, windows, and benches were given the "spic 'n span" treatment.

After the Beautification, the school was sparkling, and a source of newly-found pride for students, faculty and community alike.

Jamie Ayers checked deep crevices.

A diligent worker cleaned the seal.

Students put their knowledge of Flora to use in decisions of "Is it Dead?"

"Now let's see, a little clip here and there should even the shrub out nicely."

hose hearing was less than perfect. Caspar always answered, "Eh?"

Amahl And The Night Visitors

The giving spirit of Christmas was shown by the Chorus Department, in its annual production of *Amahl and the Night Visitors.* This opera is a tradition with the department.

Amahl is a poor, lame, shepherd boy who delights in the everyday wonders he sees, as well as those he invents. His mother worries about her over-imaginative son. One night, three kings, Caspar, Balthazar and Melchior arrive at Amahl's house with gifts of great wealth for a child not yet born. Amahl's mother wants the gold for her own son, and tries to steal it from the kings. The page thwarts the attempt, and the kings forgive the mother.

In the excitement, Amahl decides to give his crutch to the unborn child, for he may be lame also. In the process of giving, Amahl walks without aid.

The opera played twice with different actors each time. In leading roles were Mayra Sorondo and Ellen Samuels as the mother; Leslie Munzer and Nancy Steele, as Amahl; Caspar — Jim Meyer; Balthazar — Bill MacDonald; Melchior — Johnpaul Moccia, and the page — Clay James.

Mrs. Doris Johnson and Mr. Patrick Matthews directed the production.

Christmas Ball Holiday Spirited

The Key Club presented its annual Christmas Ball December 18, at the Newport Hotel.

The Fantasy played music ranging from hard rock to romantic rhythms, a collection diversified enough to suit everyone's taste.

Not only was it a dance, but for Key Sweetheart, Maxine Meidenberg, it was a fantastic birthday party.

Mr. and Mrs. Findley enjoyed the dance.

Drama Gave Us "David And Lisa"

The Drama Department produced "David and Lisa" in December. The Thespians felt this play had a message relevant to today's life.

David and Lisa are two emotionally ill teenagers in a school for exceptional children. David is a genius with a cleanliness compulsion and a horrifying fear of being touched. Lisa is a schizophrenic who escapes reality by becoming a riddling child or Miriam, a girl who communicates only by writing.

Both, through a series of incidents, gradually break out of their "escapes" and rejoin the world of reality.

The players were: David — Alex Dundas; Lisa — Chris Reynolds; Dr. Swinford — Mike Minor. Others in the play were Karen Miller, Nisha Coons, Noah Yanich, Karen Sapolsky, Cathy Elliot and Kevin Ogden. Mrs. Ellen Davis directed the play.

David was introduced to the group by Dr. Swinford and made to feel at ease.

Riddling Lisa meets David and confounds him with her childlike behavior.

On finding his homelife as unbearable as he'd remembered, David becomes depressed.

After being accosted, David comes to Lisa's aid.

In the end David reaches out, and Lisa complies.

Pianist Coleman Bloomfield filled the bandroom with the tunes of Chopin on Dec. 11.

'70-'71 — A Year Of Potpourri

This past year was a conglomeration of major and minor events featuring students and faculty alike.

Mr. Duncan did his impression of "Dunkanovitch," a funny skit he does every year, yet the kids never tire of it. Then there was the Club Lottery and a District Representive election, both new innovations. And there were the constant inquiries about the dress code. "Is there one?" and the answer was always "yes" or "no" depending on who you asked. No one seemed to know for sure. The Seniors had their patio redecorated, thanks to the efforts of a committee for beautification.

All in all, that year was either upside down or inside out. No matter how you looked at it, 1970-71 was the best ever.

District Representatives were chosen in the democratic way — by student vote.

METRO MAYOR STEVE CLARK proudly announced the reign of King Rex Bishop and Queen Vera Pergl at the Dade County Youth Fair.

N. M. ROYALTY AT YOUTH FAIR

Rex Bishop and Vera Pergl reigned as king and queen of the 1971 Dade County Youth Fair, having been chosen from hundreds of contestants for this high honor.

The king and queen, both from North Miami, were crowned by Metro Mayor Steve Clark.

The fair offered a variety of entertainment by pro-football players to the best in country western music. Clubs and organizations of all sorts participated in the 10-day event.

Horticulture, agriculture, science, biology and most of all, fun events, were fully represented at the 1971 Dade County Youth Fair — one of the most popular annual events in Metropolitan Miami.

Concentration at all costs — but sideways?

Besides learning about places, North Miami students found time to find each other.

POTPOURRI NUMBER II

This past year, upside down, rightside up or sideways was most interesting no matter what view you had.

Regular occurrences took on new shapes and forms; no one had heard of morning announcements with music before until now; and a separate homeroom for sophomores — PSHAW! But the Six Day Cycle was the newest of all. Ask what day it was and you got "D Day"; what ever happened to Wednesday? But as the world changed, so did we. The changes that were introduced not only lessened the teacher-student gap, but made learning a vital and challenging part of every new day.

Concerned parents, teachers and students voiced their opinions about the major issues presented.

Mr. Dale Boggy represented the faculty and the students at the PTSA meeting.

He hotly asked for air-conditioning.

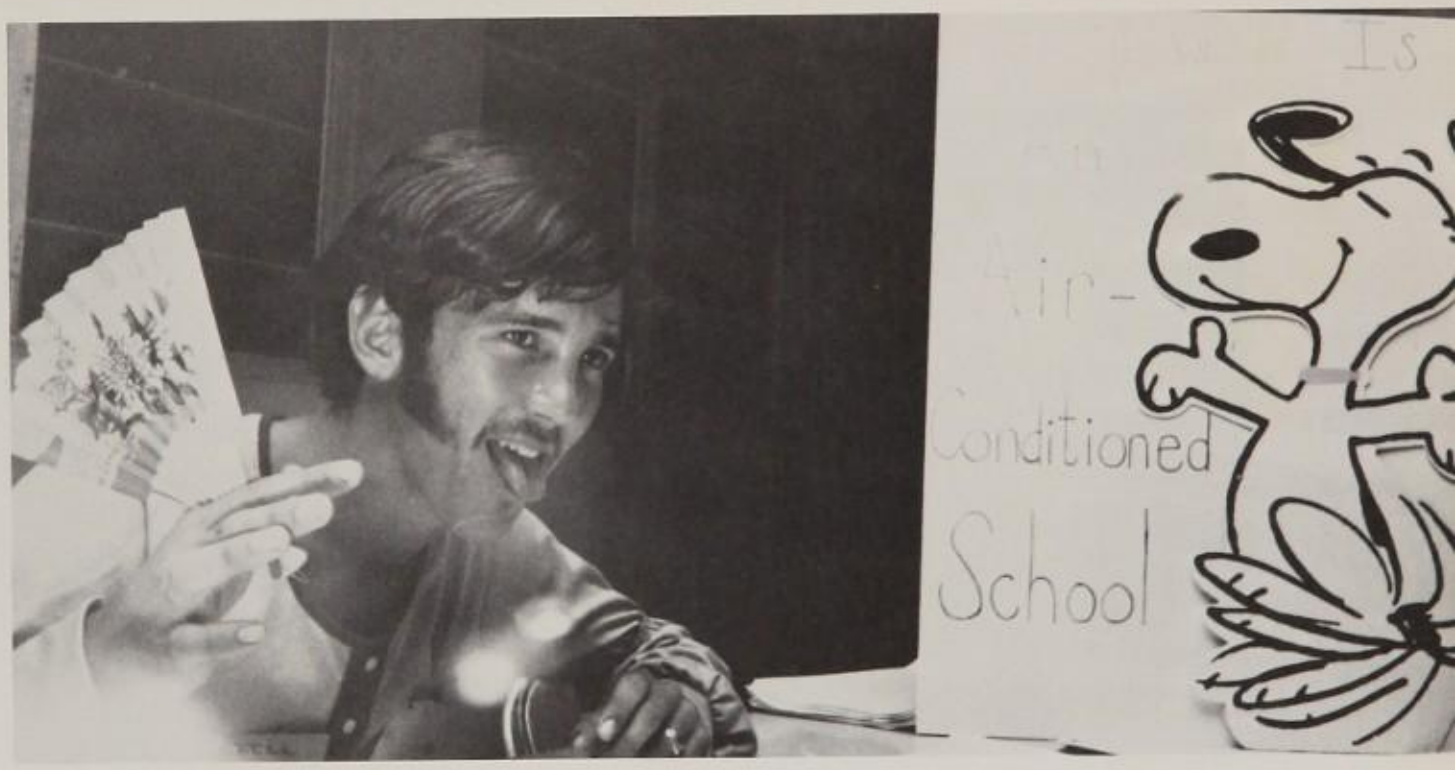
The "Pioneer High" committee listened to opposition to their new idea.

Mr. Corn "Pioneer High" Senate

Parents Went Back To School

PTSA sponsored "Back to School Night" October 27 to acquaint our parents with the important issues that faced the school. Along with the dire need for air-conditioning and beautification, the meeting also discussed "Pioneer High."

The "Pioneer High" concept was to put relevance into education by adapting the education to the pupil's needs, and not the pupil to the education. The student along with his parents would choose the curriculum most suited to his future field. "Pioneer High" should prove to be a revolution in modern education.



Ronnie Book demonstrated the real need for air-conditioning by selling fans.

The Prom: Enchantment

The Capulet Ball returned and transformed the Junior-Senior Prom into a dream of elegance for not two, but 2200 Romeo and Juliets who attended on May 28, at the Fountainbleau Hotel.

Behind the scenes, the Prom committee worked into the wee hours of the night before preparing the decorations. Their work proved so successful, the Prom went on without a hitch.

Some couples danced to the chosen tune, "A Time For Us," while others just sat and enjoyed the evening.

Mr. Boggy had a warm smile and a hearty handshake for each and every graduate.

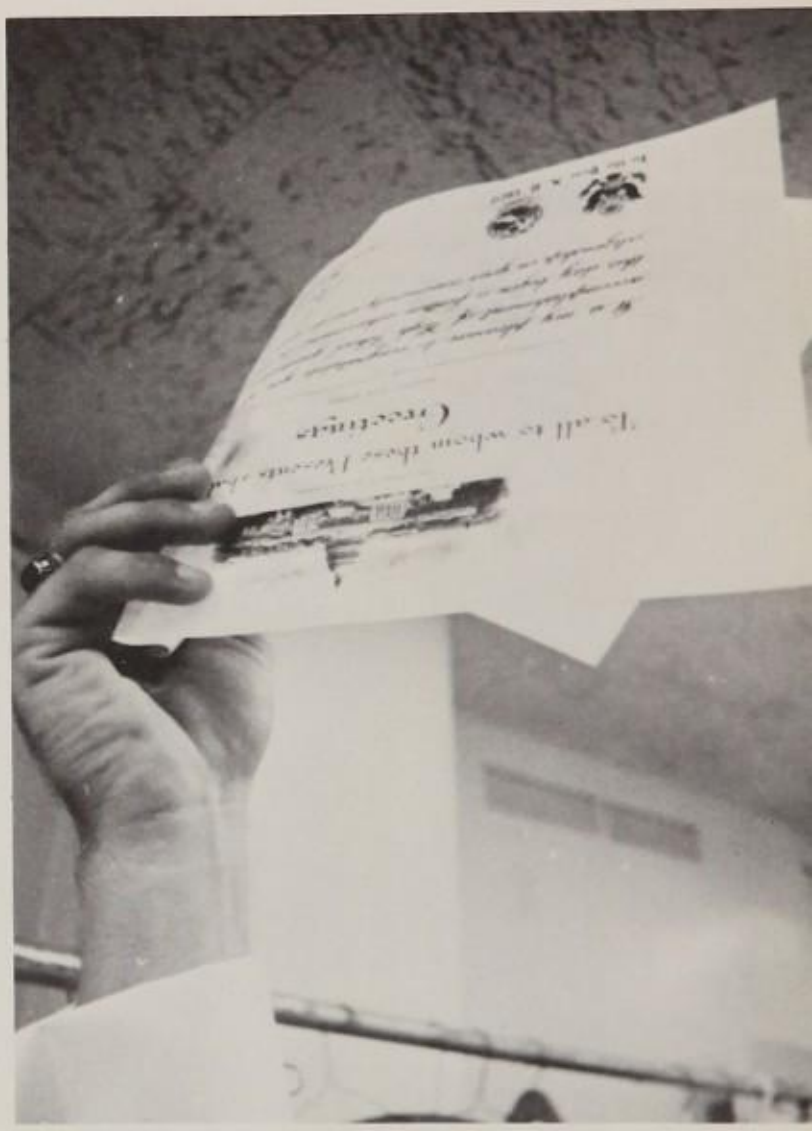
years, they received their diplomas.

Graduation Finally Came

More than 1,000 Pioneers graduated on June 15, at the Miami Beach Auditorium. Mr. Boggy handed each his diploma and then addressed the group. Many memories were relived as he spoke, and it was an emotional moment for all. During the high school years many were eager to leave, but now, everyone hated to see it end. As gowns were returned, and goodbyes said, the graduates realized that with the education they had received, they were fully prepared to enter the world that awaited them.



The diploma held was a sign of victory.

NM Cheerleaders Display Talent

The Varsity Cheerleaders promoted school spirit with their poise and ability. They gave both the crowd and the team a winning lift while cheering at all football and basketball games. The twelve girls were chosen for their charm and ability after three difficult weeks of practice and try-outs in the spring.

No matter how tired they got, these lovely girls still managed to put their all into boosting Pioneer spirits. Mrs. Sherry Reynolds is their faculty sponsor.

Even in the most chilly night, the warm, radiant feeling of spirit was there.

Early Injuries Proved Crucial

The Pioneers, hampered by early season injuries, struggled to a 5-5 season.

North Miami had been a pre-season choice to be Dade's Number One team, but those injuries and a tough schedule stifled the Pioneers' efforts.

The Pioneers never stopped hustling, even when they lost three of their first four games. Then they bounced back to win four of their next six, coming from behind to beat Miami Springs and Hialeah in the closing seconds. Yes, the 1970 team never stopped trying, no matter what the situation.

Doug Mundy attempts to make a tackle against Norland as Bill Carr comes to his help.

Defense Vital To Team Play

The North Miami defense, led by Doug Mundy, was unheralded and unsung, but what a vital part it played!

It is often said that the best offense is a good defense and our tough defense provided the springboard and inspiration that enabled the offense to score.

The defense had many accomplishments. Among them were two shut-outs (21-0 over Norland and 35-0 over Curley). They rose to the occasion many times and stifled their opponents' offense completely in critical moments.

The North Miami defense displays vicious teamwork as it gang-tackles a hapless Jackson player while the Generals look on.

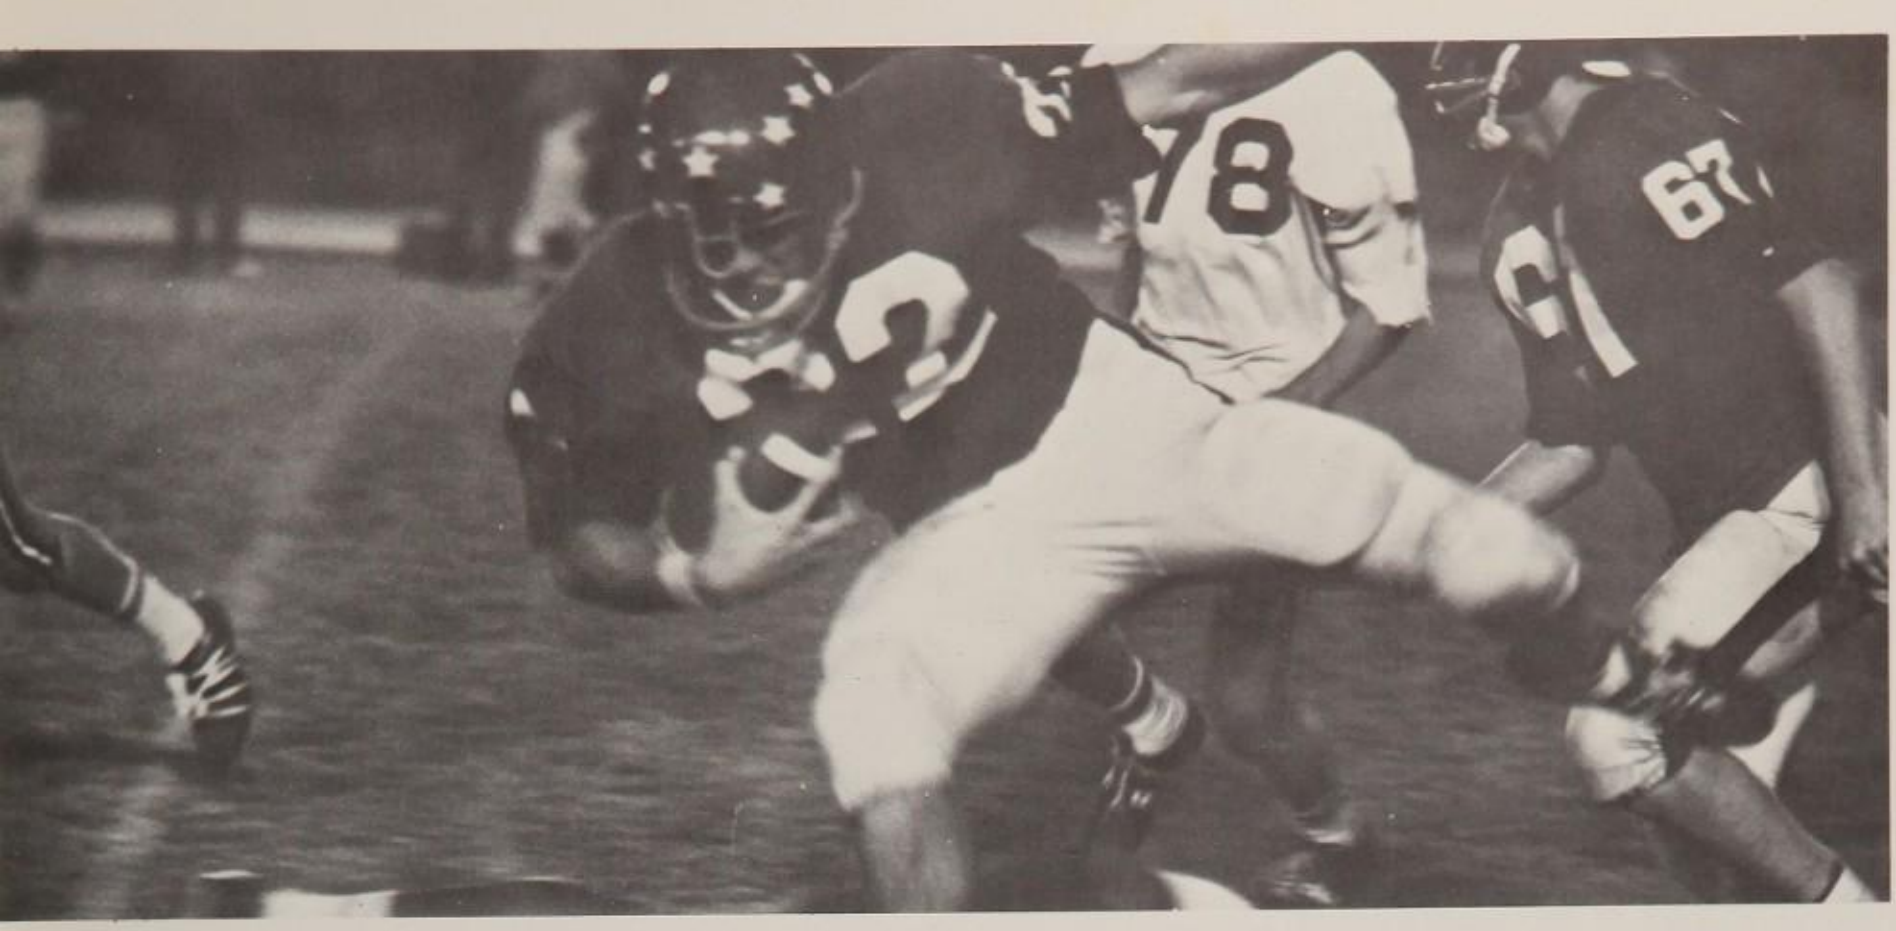
Jose Rios was not only quarterback but also handled the punting for NM this year.

Rick Jack moves downfield to the goal.

NM Quarterbacks Are Field Stars

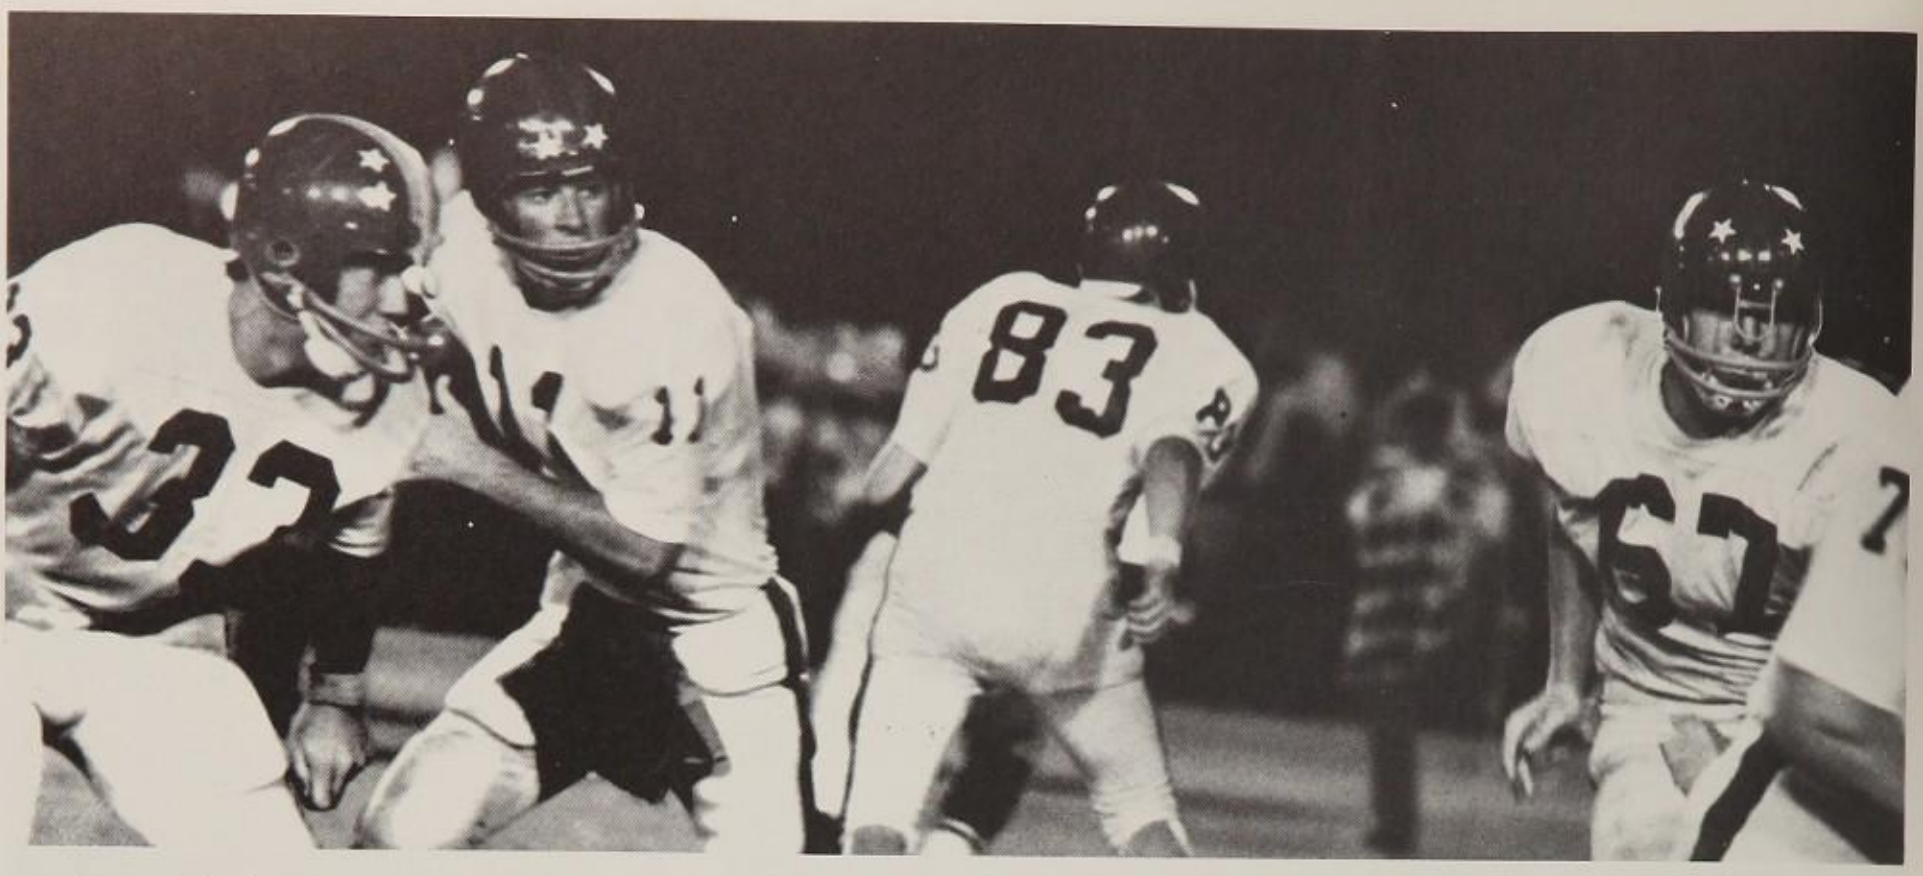
North Miami had seen better years in football, but Quarterbacks Jose Rios and Greg Keatley acted out a fine performance. Rios played the bulk of the games, showing outstanding qualities as a quarterback who can handle himself in any situation. Greg Keatly received the Player of the Week Award presented by the Miami Herald and countless other awards and praise from the people who knew him. All in all North Miami, suffering from the paralyzing setbacks, played a rewarding 1971 season.



Wide-Receiver Tim Bolger pirouettes over a Curley defender after catching a long yardage pass thrown by Greg Keatley.

Bob Beck looks upfield, trying to score.

Carlos Alvarez is still churning for yardage as he is horse-collared by a Red Raider.



Quarterback Jose Rios fakes to back Jeff Kirwin while Pat Woodrich, Clyde Dawson, and Richard Lasseter hold the line.

Strong Offense Means Victory

The Pioneers had an exciting 1970 season with their explosive offense. The long passing of the two North Miami quarterbacks, Jose Rios and Greg Keatley, to receivers Tim Bolger and Jim Young, gave them a potent scoring machine. But the Pioneers were also well balanced and their attack was further complimented by the powerful running of backs Jeff Kirwin and Dan Mahaffey, who came back from a pre-season injury.

The heart of the offense is the front line, which seldom gets recognition. This season the line opened the holes for the running backs to burst through, and protected quarterbacks Rios and Keatley.

Coach Sullivan and his coaching staff had a fine group of athletes for the 1970 season.

J.V. Season A Near Draw

The J.V. football team had a 3-4 eason, winning the opener against Norland, 22-20, and the final game against Miami High, 24-20. Highlight of the J.V. season was he 22-0 victory over Edison.

Lack of bench strength was the primary reason for J.V.'s 3-4 sea- on. Led by the team's most valu- able player, Eric Schottenheimer, he J.V.'S managed to make all the games close, with each one going ight down to the wire.

Other outstanding players were Andy King, D. J. Head, Harold Pin- der, Mark Poritzky, and Terry Fitz- gerald. Quarterback Fitzgerald erved as both punter and place- icker.

Head Coach Gary Krey was as- isted by Coaches Paul Fjell, John gan, Tom Shaw, and Sal Bello.

Coach Krey saw a lot of poten- ial among the J.V. players, and orecast new strength for the var- ity next year.

BASKETBALL POPULAR SPORT

Basketball at North Miami is a very popular sport. With 21 season games, 11 at home and 10 away, the Pioneer team went on to victory.

Rated near the top of the county teams at the beginning of the season, the Pioneers did their best to live up to this high ranking.

Some of the top players of the season were Jim Young, Dave Sheldon, Greg Smith, Don Felder and Steve Cook.

The other players who assisted in these victories were Mike Cobb, Bob Romano, Woody Hamilton, Steve Pappas, Pat Mitchell and Danny Murray.

N.M.'s Varsity Cheerleaders perform a variety of cheers during the games.

JUNIOR VARSITY CHEERLEADERS

Near the end of the football season, seven sophomore girls were chosen to cheer for the Junior Varsity teams. After many days of hard practice and tryouts, seven were picked from a group of many spirited girls. The pretty young ladies who made up the squad were Renee Sweeney, captain; Jody Greenwald, co-captain; Mary Lou Burroughs, Kathy Chance, Becky Hooks, Sandy Orlowski, and Pam Surles.

JV cheerleaders are a very talented and spirited group of girls.

GOOD SEASON FOR BOWLERS

North Miami's bowling teams, under Coach Jordan Sessler, combined teamwork and long hours of practice to finish with a winning season.

The girls team was led by All-City Nominee Karen Morrow who carried a 170 point average. With her leadership, they had an 11-1 record. The boys team had a 4-10 record.

The team finished with a combined record of 15-11 and the girls team placed second in Dade County's Northern District.

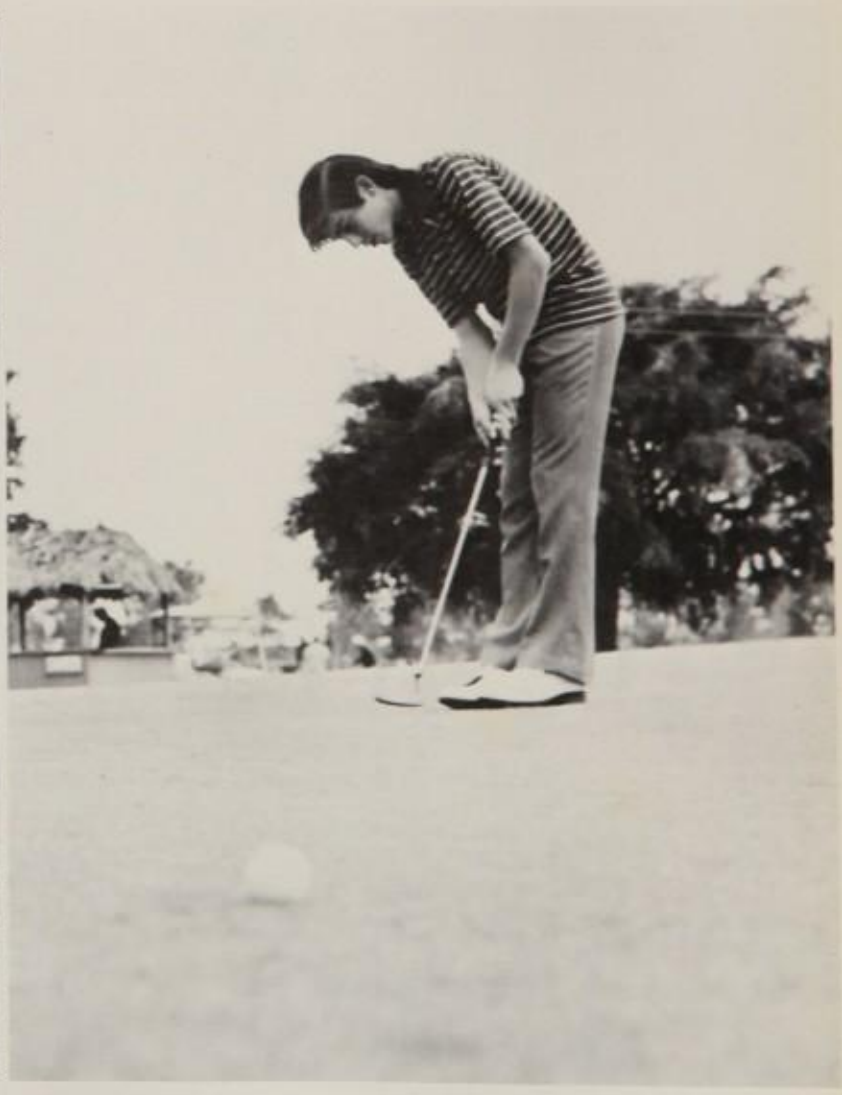
GOLF HAS GOOD SEASON

The 1970-1971 North Miami golf team was one of the bright spots during the year in Pioneer sports. The team was headed by Stan Moore, Jeff Flit, John Ramsey, and John Schaffer. During midseason Coach George Miller's team was fighting for first place in the Northern Conference and a spot in the district and state tournaments.

The Pioneers played their home matches at North Dade Country Club. The competition in Dade County was very tough, and it was an uphill fight which the Pioneer golfers met with fine determination.

CAPTAIN STAN MOORE shows fine form.



BILL BLOOM rolls his putt at the flag.

'71 TRACK TEAM REBUILT

Track at North Miami has undergone a season of rebuilding this year. One of the major changes was the replacement of the head coach with John Egan replacing Lou Bing.

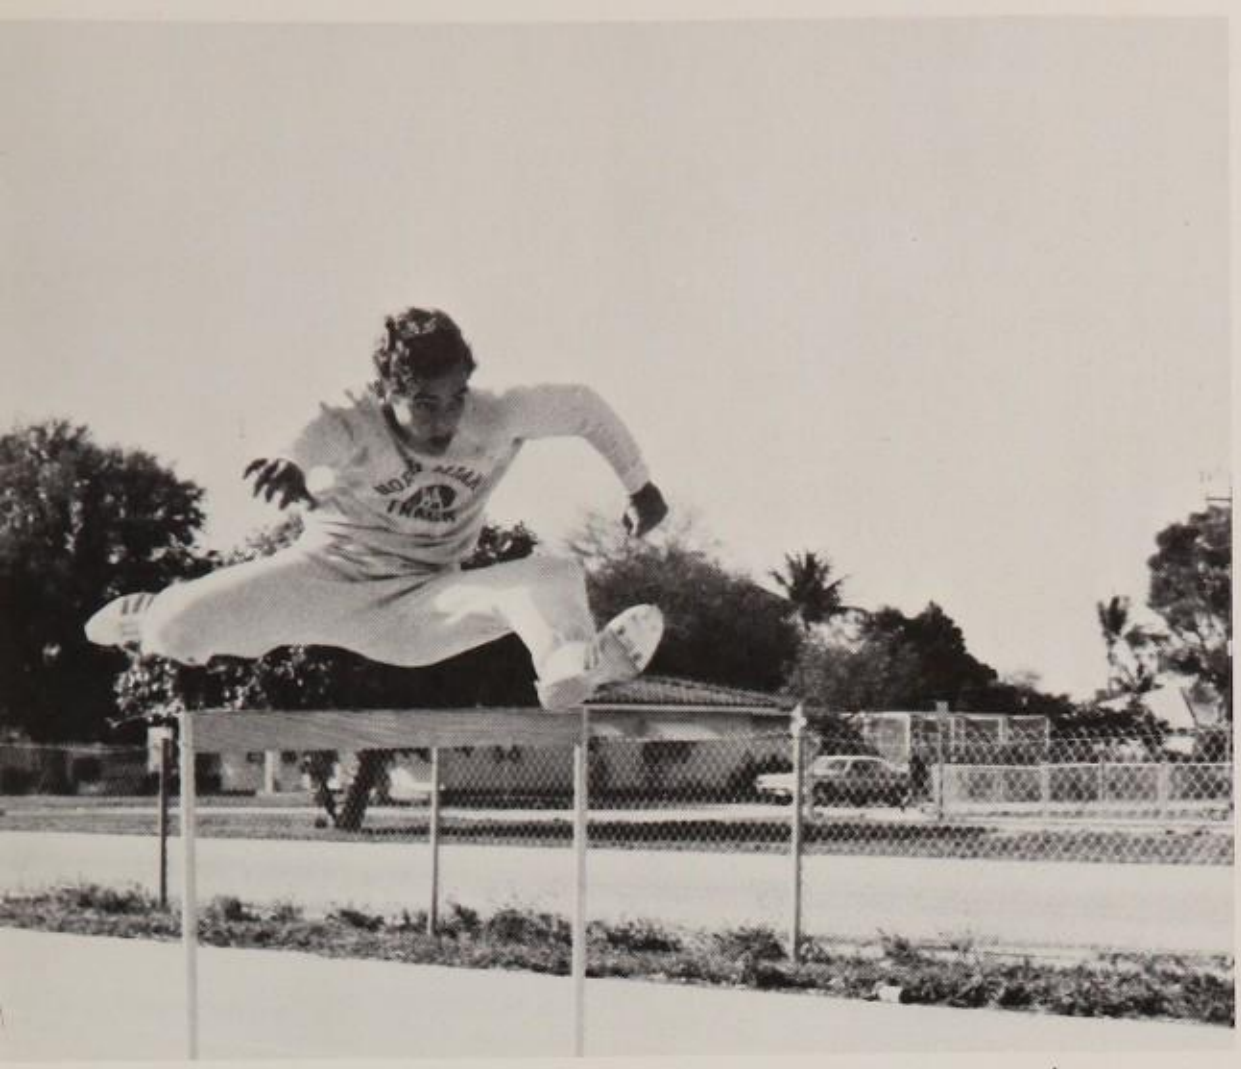
Track covers a variety of events. There are three divisions of running, including sprints, hurdles, distance and relay. There are also field and jumping events.

Track is not just running, it involves hard practice and good ability.

This year's Pioneer track team anticipated a great season.

BOB MERLIN takes after the hurdles as he limbers up before a meet.

LED BY RON BOOK, North Miami's track team works out on our own Pioneer field.



JOE HECHT cleared the first hurdle but missed the second during workout.

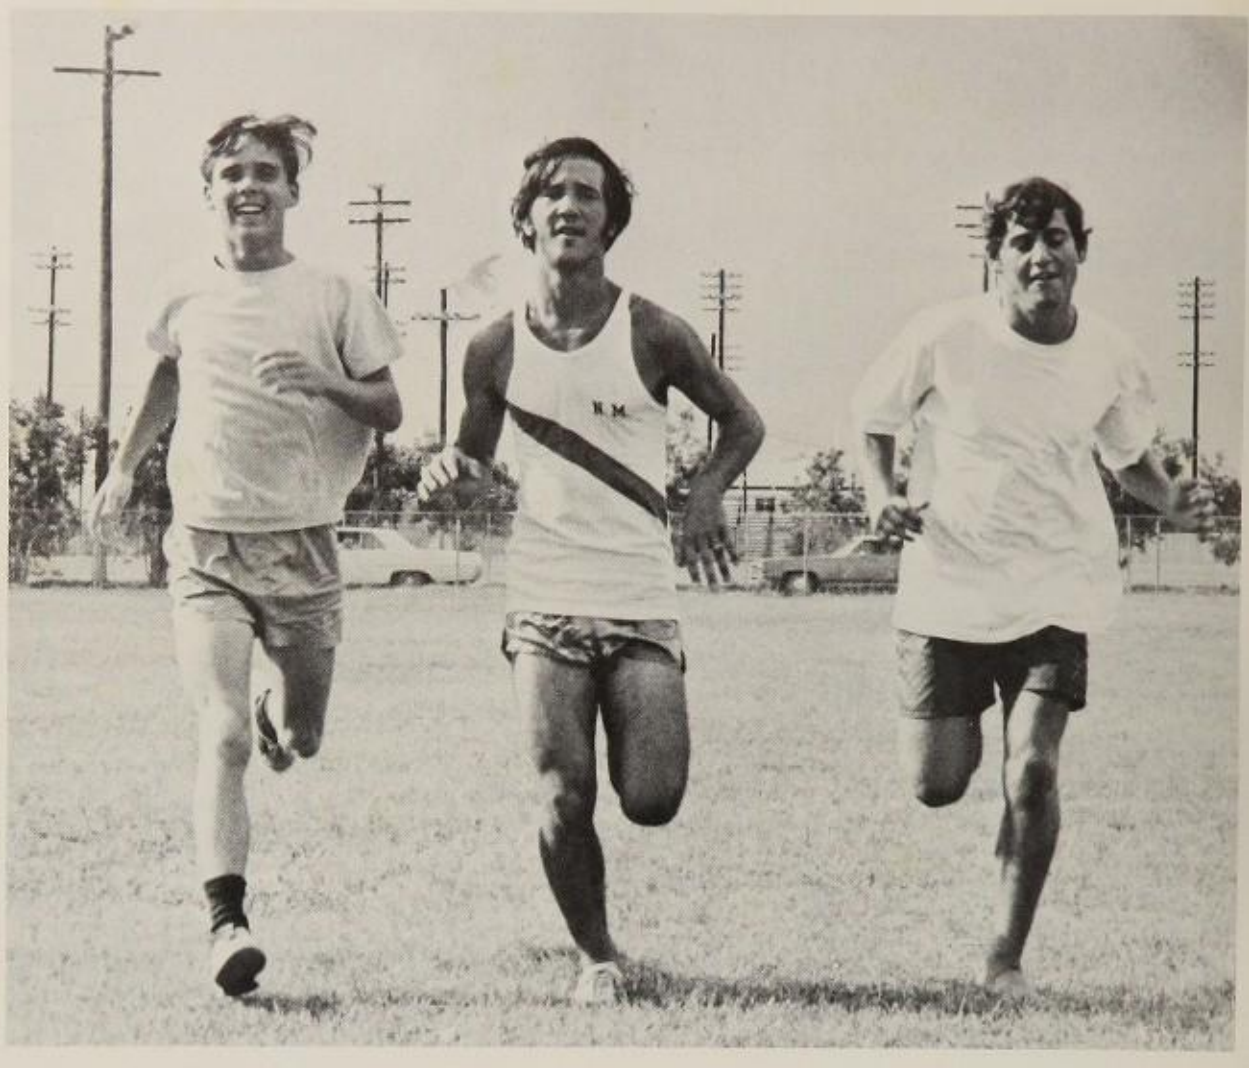
Only Joe knows if he cleared the hurdle.

Jumpers start with low jumps and move higher as they progress.

THIRTEEN RAN CROSS COUNTRY

No one knows the loneliness of the long distance runner. He plods along on the brink of exhaustion, with his mouth open, his lungs burning for life-giving oxygen. His only companion is himself as he thinks about the end of the race, that moment when the winner is determined and the others fall to the ground, gasping for air.

North Miami had 13 runners of this calibre, coached by Mr. John Byrne. This year's team was sparked by the running of senior Mike Tozzi and Jack Ellis, Michael Wells, Collie Carter, and Don Scherer.



LONG DISTANCE RUNNERS - Don Scherer, Co-Capt. Ron Book, Glenn Greenwald.

TEAM MEMBERS — (1st Row) Manager Phil Soliz, Don Scherer, Collie Carter, Mark Yeadaker. (2nd Row) Paul Jursich, Larry Wilcox, Michael Wells, Neil Sicherman. (3rd Row) Mike Snowden, Glenn Greenwald, Jack Ellis, Mark Sipe, Coach John Byrne (Top Row) Co-Captains Ron Book and Mike Tozzi.

SWIM TEAM NUMBERS 12

This year's swim team consisted of 12 swimmers who participated in either of two categories. The categories were swimming and diving, respectively.

Those in the swimming category swam a variety of strokes. Among them were the free-style, breaststroke, backstroke and the butterfly.

In the diving division, North Miami's divers competed using the swan dive, back dives, and an assortment of gainers.

This was Coach Tom Shaw's first year as the swimming coach at North Miami. He molded his athletes into a group striving for team quality as well as individual excellence.

GYMNASTS IN STRONG LEAGUE

This year Dade County's Gymnastics League was divided into two groups for the first time. North Miami was placed in the toughest division and under Coach Pete Sapanaro they faced a tough season.

Only two experienced seniors were back from last year's team, followed by a large group of juniors and sophomores. The two seniors were Dan McCarthy and Ralph Lowrie who had a knee operation and missed some early meets this season.

Although the team developed into one of the strongest in Dade County at the end of the season, it was primarily a building year which promised great hope for the future.

WRESTLERS ARE SUMAN STARS

The 1970-71 North Miami Pioneer Wrestling team was a fine unit of athletes. The team was spearheaded by Phil Newman, Stephen Weinberger, Jeff Forman and Phil Hipe.

At midseason the team was heading toward the state tournament despite early season losses caused by injuries to Kevin Weil and Fred Poritzky. Coach Jack Suman's team was deserving of every win they had.

The team practiced for many hours after school before and during the season. The work of the team and coaches proved very beneficial.

HOPES HIGH FOR BASEBALL

North Miami is famous for good baseball, and this year's team was expected to be no exception.

Baseball tryouts started during the winter season. After tryouts came long, hard practice sessions to build up the new Pioneer team.

The season outlook was good for North Miami, with top players Greg Keatley, Earl Cody, Rick Jack, Bob Beck, and John House. With the assistance of Coach Frank Smith, the Pioneer team should certainly live up to North Miami's expectations and keep up our fine reputation.

STUDENT COUNCIL

While most of the students enjoy summer vacation, North Miami's Student Council is hard at work planning and preparing for the coming year. One of the Council's first duties is the presentation of Sophomore Orientation.

Under the leadership of President Jose Gonzalez and Vice President Marc Streeter, Student Council successfully conducted a decal sale, the Homecoming Dance, Clean-Up Day, the Friendship Dance and redid the Senior Patio.

An important new event was raising money and gathering materials to establish the drug center.

Throughout the year, Student Council members coordinated such extra-curricular activities as bake sales and dances.

During the past year Student Council sought to keep students informed of all happenings at school. This was done through the representatives of the 17 Districts within the North Miami Senior High School boundary lines. Representatives voted on all council projects and expenditures.

STUDENT COUNCIL OFFICERS — Chris Rennolds, recording secretary; Marc Streeter, vice-president; Jose Gonzalez, president; Robert Safian, treasurer; Debbie Durant, corresponding secretary.

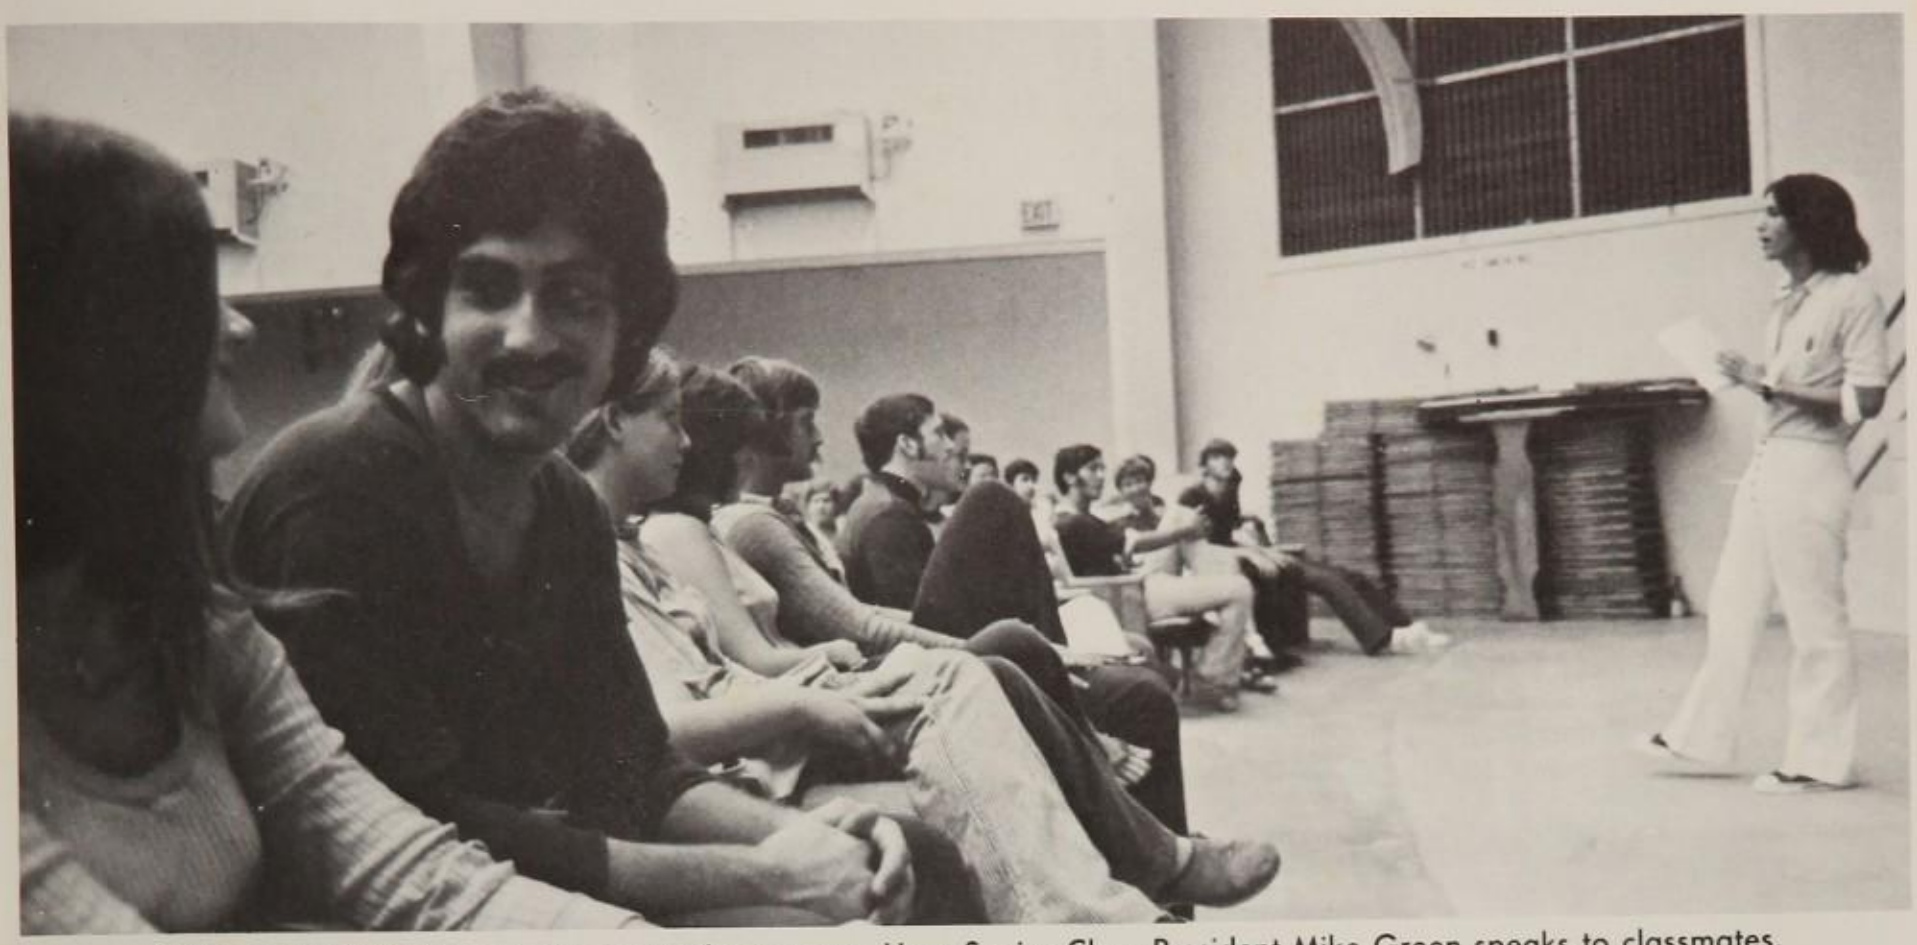
A NEW WAY of student election was initiated this year for District Representatives.

STUDENT COUNCIL



SENIOR ASSEMBLY was held during the summer. Here Senior Class President Mike Green speaks to classmates.

STUDENT COUNCIL held Clean-Up Day to encourage kids to clean the school.

MEMBERS - (1st Row) Diane Drawert, Gloria Levin, Marc Streeter, Lisa Trankley. (2nd Row) Nat Lorrow, Rex Bishop, Walter Storm, Mike Priser, Debbie Baldwin. (3rd Row) Ronnie Book, Diane Siwek, Ray Barron, Bob Safian, Ralph Fagan, Valerie Smith, Angelo Rutherford, Becky Brandt.

I.C.C.

The Interest Club Council is composed of each Interest Club president. Its main purpose is to relay new ideas from one club to another.

Functioning with S.C.C., under the Inter Club Council, it holds the school clubs together. Meetings are held regularly and all activities by interest clubs are reported.

OFFICERS — Lisa Trankley, I.C.C. Chairman; Ronnie Kanter, S.C.C. Chairman; Michella Shannon, Treasurer; Marc Streeter, I.C.C. President; Josie L'Heareaux, Secretary.

COUNCIL MEMBERS — (1st Row) Jamie Ayers, Preps; Ronnie Kanter, Key; Diane Siwek, Honoria. (2nd Row) Mike Tozzi, Hi-Y; Michella Shannon, Sub-Debs; Marc Streeter, S.C.C. President; Penny Henderson, Alma Mater; Ray Barron, Civitan; Mrs. Myrna Boggio, Sponsor.

S.C.C.

The Service Club Council is an organization composed of all the service club presidents. S.C.C. is the branch of the Inter-Club Council that sets the regulations on all club activities.

Meetings are held every other week in order to keep an accurate account of club activities. Reports are due monthly to S.C.C. by the service clubs on all club functions.

The main projects of S.C.C. besides being a regulatory board, are setting up and carrying out all Homecoming Activities and organizing a banquet for club members.

SERVICE

ALMA MATER

North Miami's only co-educational service club, Alma Mater, proves that being together really helps to get things done. Along with helping the kids at Suniland training center, they also help to collect money for Muscular Dystrophy.

As for service around the school, Alma Mater holds many different types of sales including a Balloon Sale for the Homecoming Game.

The new system used to get members this year, the lottery, proved helpful not only for Alma Mater but for all clubs in finding new and energetic members.

CIVINETTES

Helping others should be the motto for Civinettes service club. A few of their most worthwhile community projects include donating Christmas trees and presents to needy families, sending cards to soldiers in Viet-Nam, singing carols to patients in convalescent homes and collecting for the Leukemia Society.

Civinettes promote spirit within the school by supporting all athletic events and by making posters with their brother club, Civitan.

To secure funds for their projects, they sell green and grey shakers prior to the football season, flowers and fruitcake.

CIVITAN

Civitan, a re-instated service club tried diligently to maintain the title "service."

Starting the year with a bumper sticker sale and continuing with various sales, the club raised funds to support its activities. Civitan, along with its sister club Civinettes, made signs for football games and supported all athletic events. Later in the year they tried to maintain spirit during basketball season by decorating the gym for all home games and decorating the overhangs with posters.

HONORIA

The Pioneer Pamphlet and the sale of green and grey spirit dolls are the two projects that started Honoria Service Club off this year.

Honoria is busy selling candy canes, visiting old folks homes, and pediatric wards during Christmas time.

Singing Valentines that are delivered by Honoria members are the cause of excitment and much merriment on Valentine Day.

With the combined efforts of their sponsor Mrs. Louise Sutter and members, Honoria is a much respected club at North Miami.

PIONEERS

Pioneers' main objective is to promote spirit. Along with their sister club, Preps, Pioneers perform many services throughout the school and community.

During the football season they assist Preps in running signs during the games and also help them sell football magazines.

One of their main projects of the year was assisting in cleaning up the Senior Patio.

Their president was Bud Carr; Vice President, Marc Streeter; Secretary, Jeff Kirwin, and Treasurer, Jim Ayers. Their sponsor is Mr. James Sickler.

PREPS

Preps is a club for all seasons, performing many services for the school and community.

Each year Preps holds various sales — they sell Valentine lollipops, Mother's Day perfume and football magazines.

Among their services are monitoring in the library and working along with the Booster's Club during basketball season. Preps also sponsors the "Player of the Week" award.

During the Christmas season, Preps join their brother club, Pioneers, to go carolling at Jackson Memorial Hospital.

Preps most ambitious annual event is Derby Day, held each April.

Mrs. Carol McCabe is club sponsor.

SORROTA

Sorrota emphasizes the necessity of harmony between school, community, and church. This belief is made known through the fine work club members do and the time they commit to their projects.

The club's school phase of involvement includes preparation for the Christmas holidays. They decorate halls and bake cookies for the faculty. Sorrota collects for the numerous organizations of the church and community. These include March of Dimes, Heart Fund, and others for handicapped children.

The members of Sorrota are helpful and appreciated members of our school, and are well known for the services they perform.

SUB DEBS

Working with the Big Sisters of Greater Miami, Sub-Debs is a club devoted to service — from cleaning bulletin boards to working with children at the Suniland Training Center. The teacher's parking lot is beautified by the Sub-Debs plot, a little garden welcoming everyone to North Miami Senior High.

These worthwhile activities are supported by bake sales and the annual Devil Doll and Baby Bracelet sales.

HONORGARDE

Honor Garde is composed of girls who maintain an average of 2.8 and above.

They are famous for their precision drills at pre-games and half-time shows at football games. Biennially they go to Washington for the spring Cherry Blossom Festival. They join the band to put on a spectacular half-time show at the North-South Shrine game.

Honor Garde is an active club that hosts many fund-raising projects. These include candy sales, an annual pancake breakfast, car washes, and they make and sell spirit tags.

Members must have been in Junior Honor Garde for one year. At the end of their sophomore year the girls try to become a member of this outstanding club.

OFFICERS Cindy Williams, Cherise Benjamin, Ouida Ingram and Sharon O'Shields.

SUSAN JARVIS, JEANNINE THOMAS AND LAURA KIRCHNER saw the photographer first.

LETTERMEN

An athletic letter from North Miami is the qualification for membership in the Letterman Club. It sounds easy, but it involves a lot of hard work to obtain a letter. A student can earn his letter by participating in such sports as football, basketball, baseball, swimming, tennis, track, bowling, cross country and gymnastics.

Letterman try to promote school spirit throughout the year and also keep the ideals of sportsmanship in practice.

Lynn McGovern and Tammy Picard are the club sweethearts. Ronnie Book is president of Lettermen.

THESPIANS

The North Miami Thespians, with Mrs. Ellen B. Davis as director, have created an appreciation of the dramatic arts through participation.

This year the Thespians were very busy presenting two children's shows, "Winnie the Pooh" and "Puss and Boots," plus two school productions, "David and Lisa" and "A Midsummer Night's Dream."

Thespians performed for English and Humanities classes, and were involved in many outside activities. Every year the members of this energetic group go to the University of Miami to participate in the drama festivals and have always eturned with top honors.

To become a member of Thespians, a student must work 100 hours. A few members of Thespians have written and performed skits at Dade Youth Hall.

Thespians present children's shows at elementary schools where they enjoy working with the small children.

ART CLUB

The main objective of the Art club is to raise the interest in modern art.

The club visits various art shows and galleries. Under the direction of its sponsor, Mr. Thomas Popovich, members are taught to understand and appreciate art.

The members raise money for all of their projects by having a multitude of sales ranging from bagels to melted bottles, and posters to glass flowers.

OFFICERS — Gloria Levin, President; Mari Metraux, Vice President; Nancy Block, Treasurer.

ASTRONOMY

The story of man's study of the heavens is an ancient one. Only in the last decade have we started to fully understand and realize the immensity of it.

Astronomy Club is one of the more recent interest clubs at North Miami. Its members share this immense interest with professional astronomers and keep dates of all the events that take place in the field of space science.

By attending movies and special presentations, as well as visits to the Museum of Science Planetarium, they keep up with all of astronomy's interesting and rewarding experiences.

CONESTOGA '71

Through three dreaded deadlines the 1971 Conestoga staff fought to overcome seemingly insurmountable obstacles. Excitement and grief intertwined each class meeting. Despite such problems as very few returning veterans and a unique new style we stuck together and pulled off an almost impossible feat — the 1971 Conestoga.

As with last year, Room 217 had the pleasure to be under the direction of Mrs. Miriam Grant, whose advice proved invaluable during the entire year. Memories of no typewriters, missing pages, pictures and layouts, tired staff members, screaming editors, and at long last, a beautiful yearbook, are now all that remain. It was quite a year for the 1971 Conestoga staff, but — we enjoyed every minute of it.

SING OUT MIAMI

Part of the world movement "Up With People," Sing Out Miami is a new group at North Miami. Its young people with a purpose.

Sponsored by Mrs. Doris Johnson, 'Sing Out' hopes to expand next year and to participate in more concerts. This year was mostly dedicated to learning songs and putting it all together. They also sponsored a bake sale, a bagel sale, and a car wash.

'Sing Out' is people. Just people. Because that's what it's all about.

F.F.A.

Future Farmers of America promotes leadership, citizenship and sportsmanship while teaching students the knowledge they need in farming and agriculture.

Every student taking Vocational Agriculture spends two hours a day on the farm where he learns to raise poultry, steer, and plants. They also sell eggs. Students enter their projects in the Dade County Youth Fair where they compete against other schools.

F.F.A. President Rex Bishop served as chairman of the 1971 Youth Fair.

Members get additional knowledge by attending conventions in Kansas City and Daytona Beach.

By participating in contests and working together members achieve skills and friendships — the club's main purpose.

F.H.A.

You must take home economics to be a member of Future Homemakers of America. This organization enables girls to better themselves and become worthwhile citizens of the community.

The club becomes very involved in social and fund raising events. Their activities consist of charity work and improving the school. This year they made gifts for needy children at Christmas, changed the track records in the gym, and had a candy sale in February.

FRENCH CLUB

One of the most exciting events of the French Club year was a play spoken entirely in French. "Le Bourgeasie Gentilhomme" was presented in the spring with all members of the club taking part.

Under a new sponsor this year, Mrs. Wally Lyschov, the club met regularly with new activities and ideas for the club.

Members of the club studied the customs, country, and language of the French people.

In order to raise money for its activities, the club sponsored bagel and bake sales.

LATIN CLUB

The Latin Club, officially known as the Junior Classical League, is for all students interested in Latin mythology and the arts. It represents North Miami at both the District and State Forums.

At these Forums, North Miami Latin Club members compete with other high school students in Latin, mythology, Roman history, customs, and public oration. The State Forum was held in Panama City, this year. To finance the trip up state, the Latin Club sold its annual Polywog candy, and for the first time sold dream pets with ribbons.

MARCHING BAND

North Miami's Marching Band was chosen out of the entire state to represent Florida in the annual Festival of States Parade this Spring in St. Petersburg. The 150 member band is an organization of hard-working young musicians, who proved themselves 'Superior' at District Contest and strive for perfection in both musical and marching ability.

The Pioneers have represented our school in local parades such as the Super Bowl Parade, and have been seen on nation-wide television in the Orange Bowl parade and the annual All-Star Mahi-Shrine Game.

Under the direction of Mr. Jeffrey Schleifer and Mr. Dennis Silkebakken, the band has tried many new techniques to strivė for perfect performance.

MODERN DANCE

Modern dance is made up of eleven of North Miami's most graceful girls. Under the guidance of Miss Bradley these girls have baked goods, bagel, and snowcone sales to purchase costumes for their dance recital.

The modern dance group performs at the Homecoming game, Carni-Gras and "Battle of the Bands."

Jeanne Jarvis is the president of this group whom she proudly watches over.

Tryouts are held at the beginning of every year. It takes hard work and patience for members to perfect their routines.

PARA-MED

Para-Med is a new club to North Miami Senior High. Members are very active and help our community as well as our school.

Their school activities include bake sales and working to make the school a better place for every individual.

Members of Para-Med do a lot of volunteer work. They go to various hospitals and watch operations, attend lectures and offer their help wherever they are needed. They do a great deal while enjoying the social aspects of a club.

PIONEER

Believing in its slogan — "Discovering New Frontiers in Journalism" — 1970-71 Pioneer staffers sought to provide North Miami students with news and editorials about the community and the nation as well as the school campus.

The 18 members of Journalism IV responsible for the monthly school newspaper shared Room 217 with the yearbook staff, while each published independently of the other. Mrs. Miriam Grant is advisor for both publications.

Provocative editorials as well as news and feature stories were published for the largest number of student subscribers ever recorded for The Pioneer. Ellen Frances was editor, with Jan Prisco as Associate editor.

The Pioneer is a member of the Columbia Scholastic Press Association and the Florida Scholastic Press Association.

RUSSIAN CLUB

The Russian Club Balalaika Band was created and directed by Mr. Tom Koch.

The Russian Club is a mixture o learning and fun. Members lear about the language, country, peo ple and holidays of Russia.

The fun part is the Balalaik Band originated by Mr. Tom Koch club sponsor. Members not onl play this Russian instrument fo their own enjoyment, but also en tertain at schools throughout Dad County.

Russian is a difficult and com plex language, but Mr. Koch helps his students make this a fascinating subject. Students not only learn to speak and read Russian, but learn about the teenagers and politics that make the country what it is today.

The club holds a hand-made candle sale before Christmas each year.

S.H.C.O.G.

The Student Honors Committee on Government is an informative, highly educational club. The purpose of S.H.C.O.G. is to provide students with the opportunity to participate in programs involving politics and society.

Speakers are brought in to discuss such subjects as sex, education, drugs, religion, air and water pollution, racism, and law and order in our nation.

Under the guidance of Mr. Norman Leiberman, the club has proved to be a very worthwhile involvement.

Major club activities are participation in a mock U.N. General Assembly and in the Social Studies Fair in the Spring.

S.E.C.O.

SECO — Student Environment Crisis Organization — was formed as a result of interest aroused last year. Members believe that an environmental crisis exists which threatens the future of America, of mankind and of life itself. They also believe that as human beings they are responsible for this crisis, and have attempted to organize all available resources against the destruction of earth's environment and and natural ecosystems.

There are about 30 active members who sponsor seminars and sales of bumper stickers and buttons related to ecology.

OFFICERS — Eva Kalusin, Eleyn Saks, and Lynn McGovern.

SPANISH CLUB

The Spanish Club is composed of a group of interested Spanish students who want to increase their knowledge of Latin culture.

Guest speakers attend many of their monthly meetings which are conducted mostly in Spanish to help the members become more fluent in the language. Some of the activities include sales, trips, 'fiestas, and Spanish movies. Their major project is helping migrant workers and giving parties for the children.

The sponsor is Mr. Frank Maristany.

STAGE BAND

Stage Band underwent many changes this year. In order for every more capable musician to play in a stage band, there are three separate and unique bands. Each one has its own director, with all three under the sponsorship of Mr. Jeffrey Schleiffer and Mr. Dennis Silkebakken. The directors are Drum Majors Monty Berg and Jamie Korray, and Band Captain Nat Larow.

The music is jazz, soul, and rock and is arranged by capable student musicians.

This year students in stage band did not have to be in any musical organization but simply talented in their instrument. The groups participated in band contests, and Carnival Gras.

TRI-G

Interest in gymnastics led to the formation of Tri-G a few years ago. The club does not require its members to be on the team, it's sufficient that they have sincere interest in gymnastics — whether as participants or spectators.

Mr. Pete Sapanaro, gymnastics coach, sponsors the club and works with members to publicize the art of gymnastics.

Ralph Lawrie, vice-president, performed at every football game as our Tumbling Pioneer.

Tri-M devotes proceeds from its sales to the gymnastics team.

TRI-M

Tri-M's major purpose is to promote music appreciation and to entertain the student body and faculty at North Miami.

Tri-M is a national honor society in which members of performing vocal and instrumental groups participate. Students must pass oral and written examinations to earn membership.

One of their main projects is ushering for the Miami Philharmonic Orchestra Concerts.

During the Christmas season, members go caroling in school hallways. This year they formed a neighborhood choir.

Tri-M also takes part in Forensic Follies, has an annual bunny sale at Easter time and collects for the Danny Thomas Leukemia March.

Our Principal Mr. Boggy

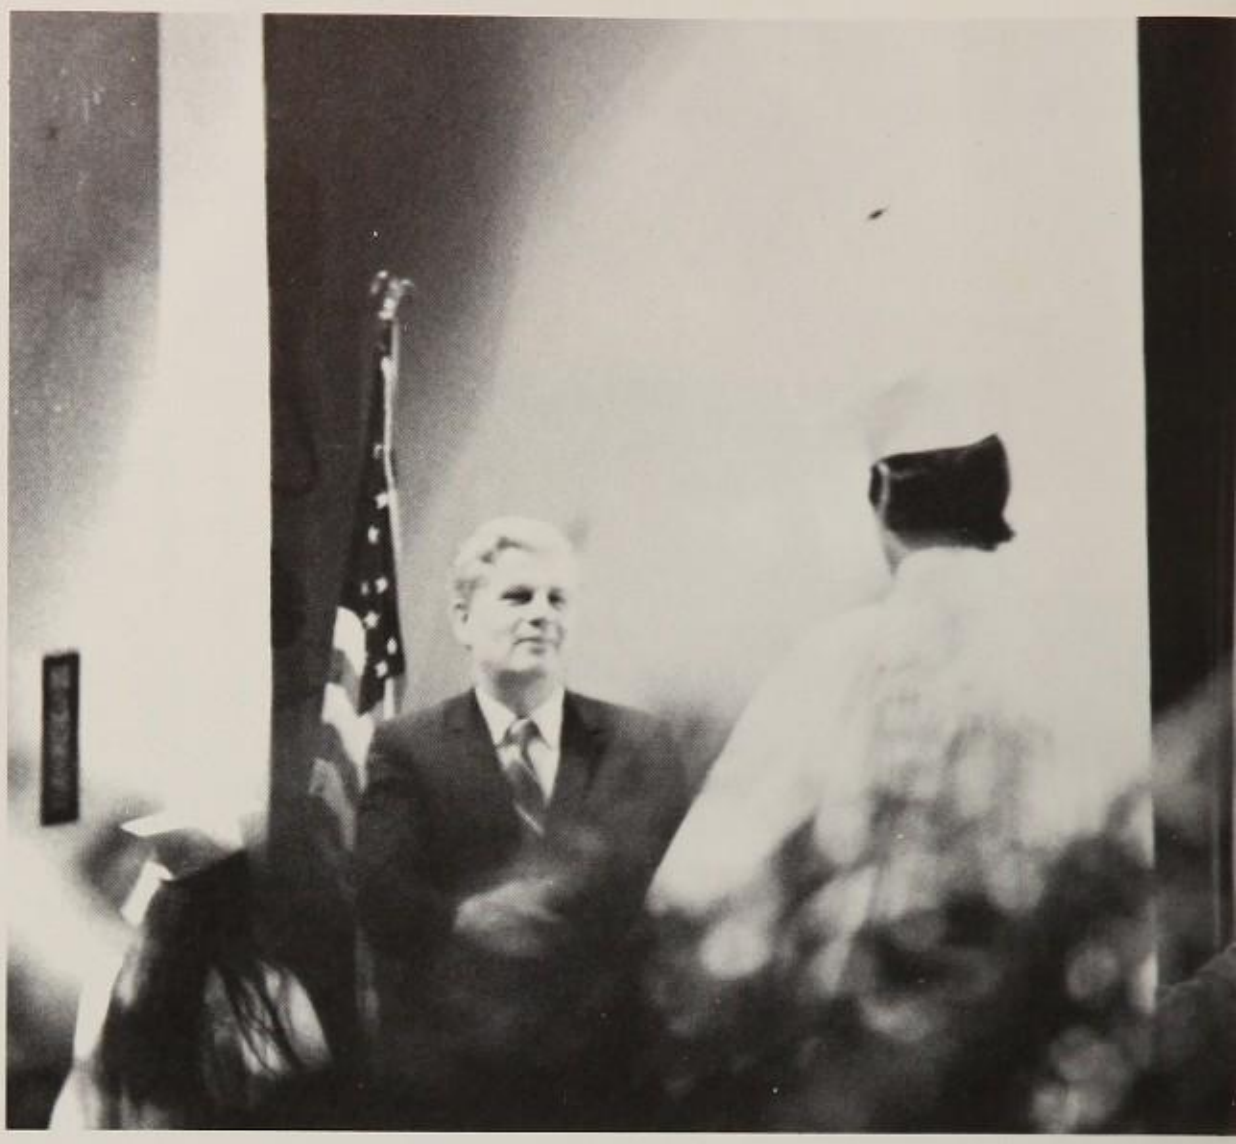
Take some patience, understanding, discipline, spirit and a sparkle of enthusiasm, and you have the Number One Pioneer — Mr. Dale Boggy.

As Principal of North Miami Senior High, Mr. Boggy has done an outstanding job for seven years, keeping the school unified and boosting its reputation.

Supporting the modular system and the dress code, Mr. Boggy has a never-ending outlook for improvements. He has successfully satisfied students and faculty alike.

Despite his busy schedule, Mr. Boggy always finds time to communicate with students, listen to their complaints, and reach out a helping hand.

North Miami students are proud and appreciative of Mr. Boggy, their devoted principal.



Mr. Boggy offered personal congratulations to all North Miami's graduating seniors.

Mr. Boggy can be depended upon to provide a helping hand to a teacher in distress.

Staff For Administration

Next in command are the five assistant principals who comprise Mr. Boggy's administrative staff.

Mr. Paul Duncan and Mr. Edward McCray are Assistant Principals in Administration, in charge of attendance and discipline for NM's more than 3,700 students. Mr. McCray, a newcomer to our school, joined the staff last September.

Mr. William Findley, former Social Studies teacher, was appointed Assistant Principal in Curriculum. He is in charge of the curriculum for academic subjects.

Mrs. Elizabeth Bragg is Assistant Principal in Guidance, coordinating all guidance activities with her staff of eight counselors.

Mr. William Lewis is Assistant Principal in Vocational Arts, directing the many vocational subjects offered at North Miami.

Mrs. Edith Stair serves as Treasurer of North Miami Senior High, handling all fees and money matters for this vast organization.

The new Student Activities Director is Mr. Richard Milstein, a former Social Studies teacher.

Guidance Department

The guidance counselors at North Miami have carried a heavy load on their shoulders this past year. With the new shift introduced at the start of the school year counselors had the task of then readjusting many schedules, which involved a great deal of time and concentration.

Guiding students on proper paths for the future and being certain that no serious problems arose were some of the major jobs that the counselors were responsible for.

North Miami would not have been what it was, had it not been for the diligent efforts of the Guidance Department.

Secretarial Personnel

Lending a friendly helping hand to all, the secretaries kept the school from disorganization as part of their everyday duties. Dependability is important to keep a school running smoothly, and it requires responsible people like North Miami's staff.

The secretaries help maintain order in the school by aiding the administration and students. Some of their many jobs are typing, filing, operating the switchboard, keeping attendance records, making out report cards, registration, and assisting with college transcripts.

The role of secretary is both essential and well appreciated at North Miami. They become more valuable to us every year, as we are aware of the time and effort they put into keeping the modular scheduling a success.

North Miami's Foreign Language Department, headed by Mrs. Elsie Nicholas, has expanded to meet the needs of time. Besides courses in Spanish, French, Latin, German, and Russian, Italian is offered on independent study time.

The resource center played a big part in language study this year, as students were required to go at least once a cycle. There they listened to tapes, received additional help, or read books, magazines, and newspapers which were there in all languages for student use.

Language clubs were formed once again this year, and gave students the opportunity to see movies, visit restaurants, and hear speakers pertaining to a particular language.

Occupational Arts Department

The Occupational Arts Department helps develop skill in numerous job areas, giving students the chance to earn credits toward graduation while advancing in the business world. Half of the day is spent at school, where students receive classroom training and the rest of the day is spent working at in-jobs.

One of the most popular programs of this type is cosmetology. Offered as a two year program, this course gives students the needed background for a career as a beautician and a hair stylist.

It is this background, in the various fields, which is so valued by those involved with the program.

Physical Education

Life isn't all fun and games, but a course such as physical education gives students at NM opportunity to enjoy the pleasure of sports as well as a chance to gain experience and skill. During the course of the year, students participate in all phases of sports — swimming, archery, volleyball, softball, football, basketball, and many others. Bowling and billiards are also included.

Driver's Education is also taught in this department. This course has many advantages, but most important it trains students to be careful drivers.

North Miami is proud of the P.E. program which has promoted good sportsmanship among students.

Science Department

North Miami's Science Department offers a unique subject roster that will satisfy any science student's need, including some classes that are basic and others that were introduced to Dade County for the first time in 1970-71.

Courses include Biology, Chemistry, Physics, Biology II, Chemistry II, Anatomy, Aviation Science, Physical Science and for the very serious science student, Lab Research.

Science Department Chairman Mr. Fredric Basnett supervises one of the most outstanding science departments in Dade County.

Social Studies Department

Man's past, present, future, and intellect were examined in the courses offered in the Social Studies field under the direction of Mrs. Doris Hutcheson. The department encouraged self study and succeeded in giving insight and a greater understanding in the development of man as an individual.

A large staff helped to instill knowledge and prepare students to take an active part in the world of tomorrow.

Teacher Aides

Teacher aides help make a school day's work a little bit easier for everyone. Many of the jobs they perform are keeping records, cutting and running off stencils, and clearing away a good deal of clerical work which so often inhibits teachers. They are always willing to help students in the resource centers and library. They also assist the secretaries in the main office. Teachers as well as students are grateful for their help.

Special Services

Just as actors in a theater could not operate without the services of a backstage crew, North Miami could not operate without the behind-the-scenes services of Special Education, Audio-Visual, the cafeteria and the custodians.

Special duties require special people. An important job which requires great patience and understanding, in addition to knowledge in numerous fields, is wisely done by Mr. Marwood Stark, head of the Special Education Department.

Hardly a day goes by when every student doesn't hear or see something taken care of by our A.V. Department. Audio Visual is in charge of instruments ranging from television sets and radios to film projectors and electronic training aids. This department also services the Public Address system for all announcements.

Mrs. Katherine Rogero manages the cafeteria where both breakfast and lunch are served throughout school hours. The most popular item on the menu this year was the chocolate shake, "created" with the long awaited milk shake machine.

Directed by Mr. John Gooch, our 17 custodians work three shifts around the clock to keep the school house clean and in good repair. They are also in charge of the outside area, mowing the grass and removing trash.

MISS CONESTOGA

MISS CONESTOGA 1971
MISS VIVIAN DOSAL

MISS CONESTOGA 1971
MISS SUE JARVIS

Dear Students:

This year the Miss Conestoga contest was changed so as to involve the student in the selection of our own beauty queen. In past years Miss Conestoga was nominated by the entire student body. The 15 girls receiving the most votes were photographed and their pictures sent to a famous celebrity for judging. Some of the past judges were the Smothers Brothers, Leonard Nemoy, and last year's judge, Joe Namath.

This year as in past years the entire student body nominated its choices for Miss Conestoga. After receiving approximately 3,000 votes, Miss Conestoga was chosen by the number of votes. The top eight vote receivers became Miss Conestoga and her court. In counting the votes a very unusual thing occurred, we had a tie. Therefore this year we have two girls both carrying the title of Miss Conestoga.

We sincerely hope that you prefer this new system, for we feel that this important decision should be left up to the student body rather than someone judging merely from a photograph.

Sincerely yours,
Conestoga Staff

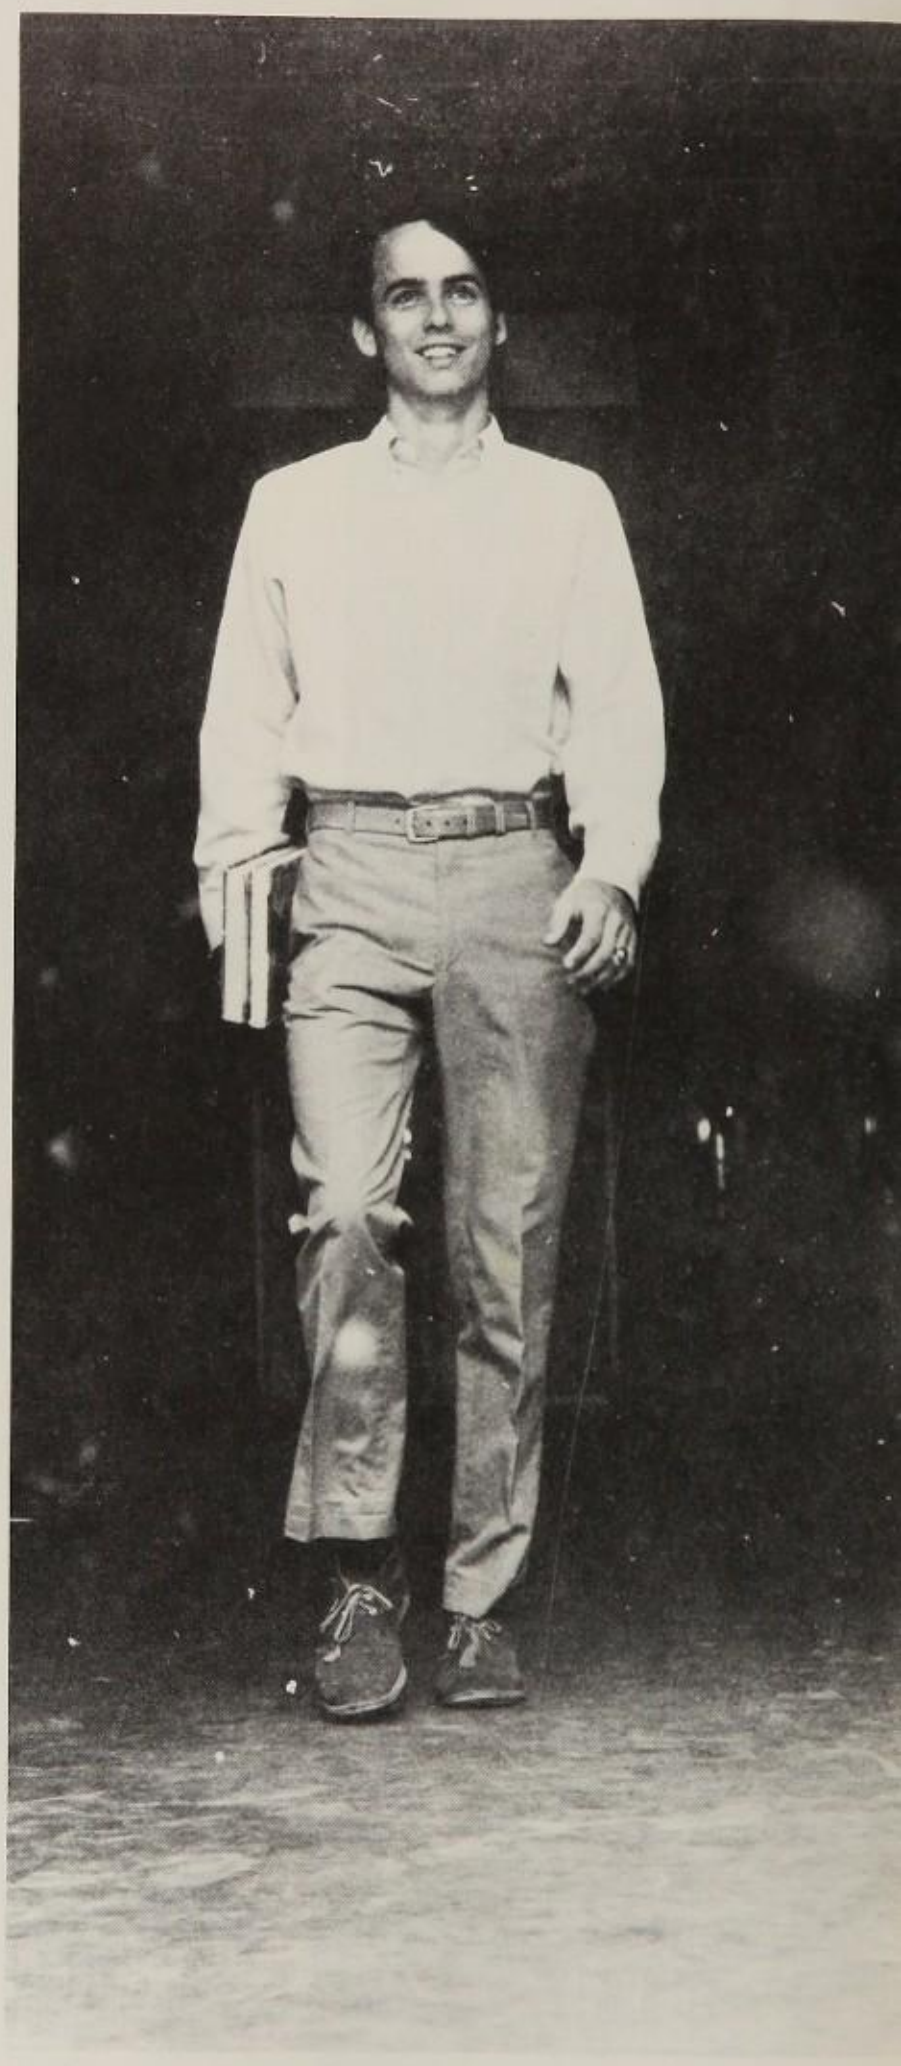
PIONEERS

Vivian Dosal, 1971 Homecoming Queen, and co-holder of the title, Miss Conestoga, has shown versatility throughout her years at N.M. Vivian was also chosen to be captain of the varsity cheerleading squad. Receiving the title of "Best All Around" Senior Superlative and being a member of Sub-Debs Service Club consumes most of Vivian's time.



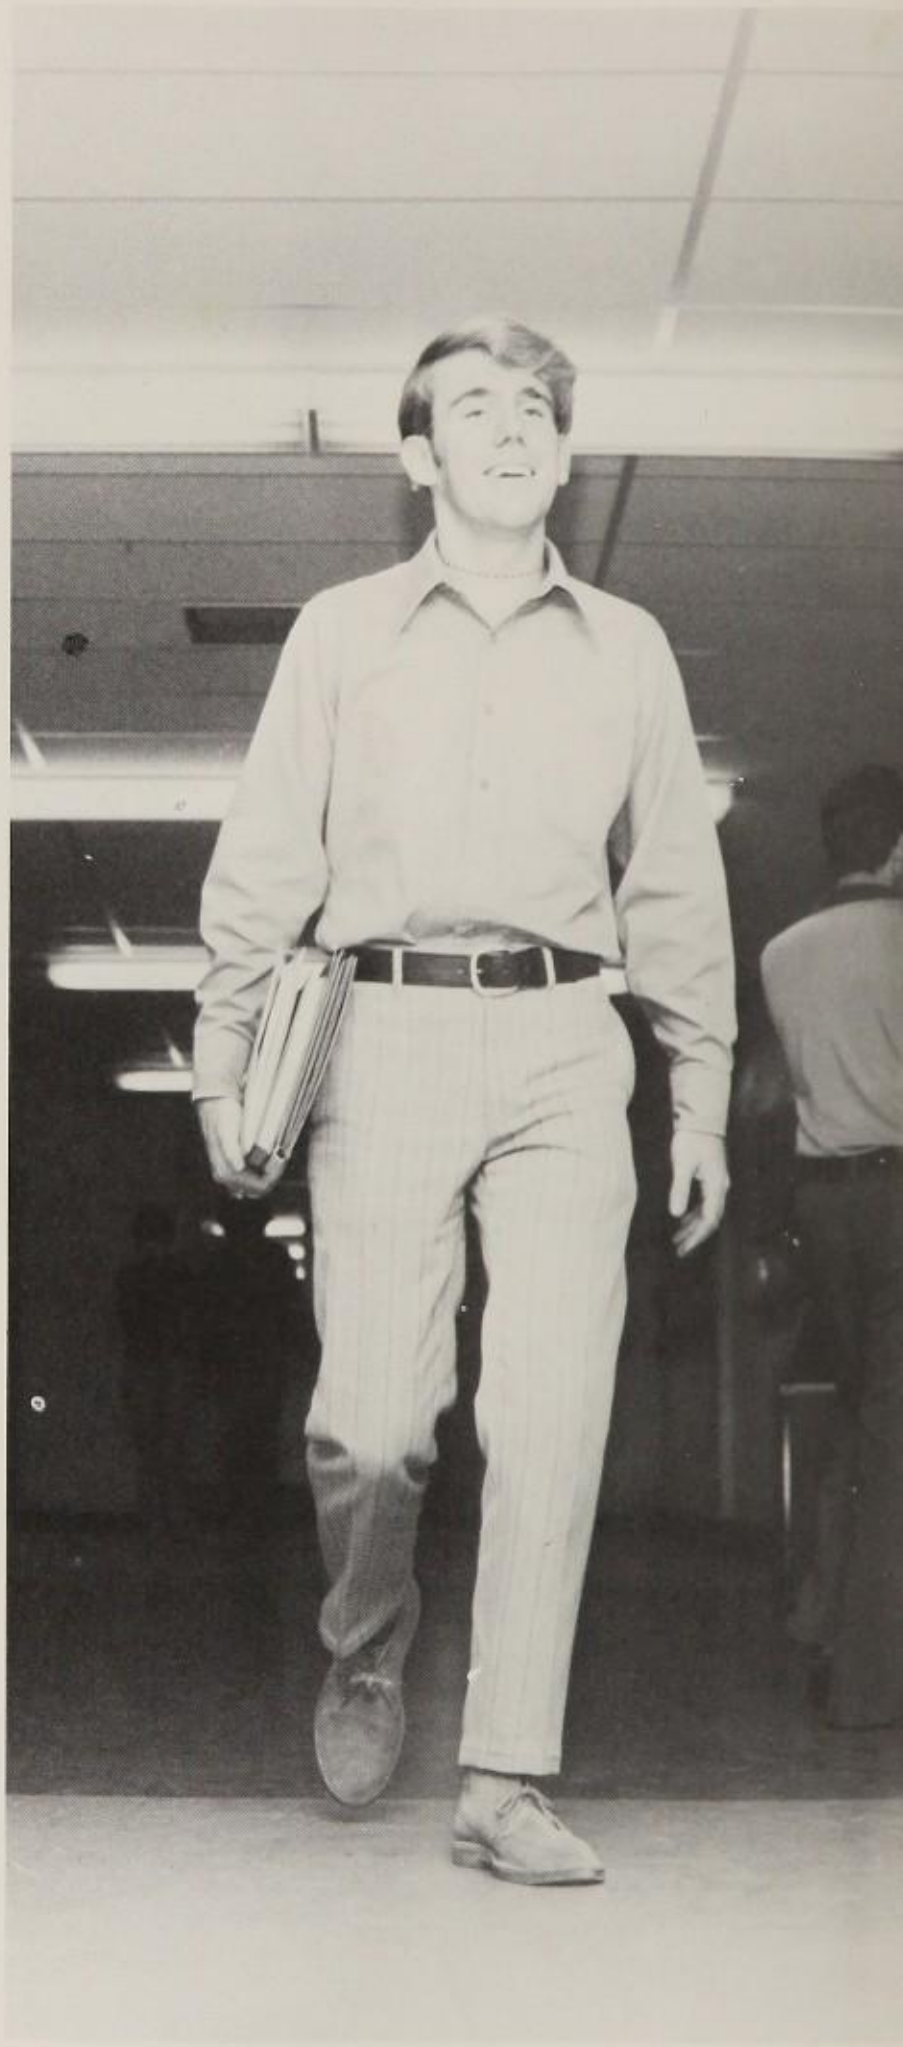
"Most School Spirit" is an appropriate Senior Superlative title for Rex Bishop. Rex is a member of Key Club Vice President of Beta National Honor Society, and President of Future Farmers, along with a multitude of other activities. Rex is the Silver Knight Nominee for Vocational Industrial and was selected by the South Florida Dairy Association as "Outstanding Teen" of the day.

Voted "Most Intellectual" by the Senior Class, Lisa Trankley has certainly earned the title of a "Pioneer." One of the most active students in school, she still maintained her scholastic interest and placed Number 4 in our class rankings. Lise is the treasurer of Honoria, president of Russian Club, and treasurer of the National Honor Society. Lisa is also a Silver Knight Nominee for Foreign Languages and was chosen as "Today's Top Teen" by the Miami Herald.

Named Valedictorian of the Class of 1971, Ronnie Kanter has truly deserved all of his many honors. Being president of Key Club, member of National Beta Honor Society, treasurer of S.H.C.O.G., and Silver Knight Nominee for Science have taken a great deal of his time. Ronnie has done a great deal for this school and is very deserving of his title as a "Pioneer."

PIONEERS

Patty Duncan has devoted most of her time to helping teachers with various jobs and working behind-the-scenes. Patty is very active with chorus and the Vocal Ensemble. Patty is also a member of Civinettes Service Club and was chosen to serve as an Usherette for the 1970 Graduation.



Marshall Brown, Silver Knight Nominee for Citizen-
ship, is one of the most active students in our school.
Devoting a great deal of his time to helping others both
inside school and outside has earned him the title of a
"Pioneer." Being a member of chorus and Key Club fill
the remainder of his time.

TOP 50

At the end of their 7th semester, Seniors received their class ranking. The top 50 of the Senior Class of 1050 were determined by a total grade point average of their three years as senior high school students. Their averages ranged from 4.455 to 3.452.

Ronnie Kanter was named Valedictorian with an average of 4.455, and Marlene Jaro became Salutatorian with an average of 4.438.

HERALDS — LISA TRANKLEY, OUIDA INGRAM, PATTY THRICTER, FELICIA BRADSHAW, LISA GULLIDGE.

HERALDS — DEBBIE DURANT, MAXINE MEIDENBERG, VIVIAN DOSAL, KATHIE MARKS.

HERALDS

The graduation procession every year is led by 10 lovely girls — the Heralds. These girls are nominated by the faculty on the basis of beauty, charm and popularity. After the nominations are made, the names of the nominees are put before the Senior Class to elect the girls who go on to be Heralds.

Before graduation takes place, Miss Marie Mastropaolo instructs the Heralds on walk and entrance. The Heralds are a tradition just as the graduation they lead.

THE 1970 HERALDS

USHERETTES — LYNN McGOVERN, EMILY FUCHS, SANDY SPANGL

USHERETTES

Towards the end of the year, 16 juniors are chosen to be the Usherettes for Graduation. These girls are selected by the faculty and senior class.

The Usherettes act as hostesses to the parents and guests. They hand out programs, seat visitors, and make sure all is running smoothly.

ARLENE RIVERS, MICHELLA SHANNON.

USHERETTES — MINNIE COLBERT, CHRIS COSTA, PATTI DUNCAN, JACKIE LEVEQUE, MINDY COSUTH, VALERIE SMITH.

BOYS' STATE

At the conclusion of every year several juniors are nominated by teachers to become nominees for Boys' and Girls' State. The American Legion screens each nominee and then selects North Miami's representatives for Tallahassee.

After being selected, they tour the capital and spend a week in Tallahassee learning government procedure.

This year's delegates to Boys' State were Rex Bishop and David Cromer. Rex was elected to the House of Representatives, and David Cromer was elected to the Senate. Carol Kelly was our delegate to Girls' State.

SPECIAL SENIORS

Each year a great number of seniors work throughout the year and go unnoticed and uncelebrated. This year we would like to name six of these students that we feel are definitely "Special Seniors." We would like to thank other students also, but due to lack of space we are unable to do so. We therefore hope you will join us in thanking these seniors for all the work that they have done.

Now Dave puts in his time on a job with little or no future.
And unless he completes his education, his time is going to run out.
His time to get ahead. His time to get a promotion.
His time to get a better salary. His time to succeed in life.
Stay in school. It can save you a lot of time.

AUTHOR'S NOTE

We three,
together with our friend
and advisor,
Mrs. Miriam Grant,
our unique staff,
Byron Kennedy of Taylor Publishing Company,
Paul Stromberg
and Ted Werk of Tooley-Myron Studios,
poured our dreams
and hopes
and joys
into the *1971 Conestoga.*
As one of us leaves
and two remain
we all leave behind
a little experience.
delight,
friends,
and memories.
